How To OVERCOME THE WORLD

How do you overcome the rulers of the darkness of this world? How do you stand against the wiles of the devil? How do you wrestle against spiritual wickedness in high places? How do you withstand this evil day? Above all, you must put on the **shield of faith**, wherewith you shall be able to quench all the fiery darts of the wicked (Ephesians 6:16).

Every person must take unto themselves the shield of faith. First you must be persuaded, convinced, and assured that יהוה is the only true and living God; that יהוה is the God of the Bible and thus the God of Israel (the spiritually dead lost sheep of the house of Israel). You must have an unshakeable faith in בָּן יהוה as the Son of יהוה.

You must have **knowledge** of the tenets, principles, teachings, and rules of יהוה, and trust in them with certainty. You must have an understanding of the doctrine, dogmas, and canons of יהוה, with confidence and freedom from doubt.

In general, you must have such a knowledge of, assent to, and confidence in the divine truth of יהוה, especially His commandments, laws, and statutes which produce good works.

-Pages 117-18, Volume One-

When you are completely confused, puzzled by the hatred between nations, **know** that the "Great Tribulation" is about to happen. When you are perplexed by wars and rumors of wars, **know** that the "Great Tribulation" is almost here. When you see people are bewildered and confused about nations rising against nations, and kingdoms against kingdoms, **know** that the "Great Tribulation" is going to happen soon. But take heed to yourselves: for the rulers of darkness will seek to destroy you (Mark 13:5-9).

How To Overcome The World, Volume 1, Pages 168 & 178

You must keep your focus on your purpose. You have a very serious job to do before the "Great Tribulation." First, this Gospel of the Kingdom of יהוה shall be preached on [the Internet] in all the **world** for a witness unto all nations; and then shall the end of **evil rule** come (Matthew 24:14).

A SPECIAL MESSAGE FROM יְהוָה בָן יְהוָה

You must be determined to **not know** anything of your own self or of man's wisdom, but demonstrate the Spirit and power of יְהוָה בָן יְהוָה: That your *faith* should not stand in the wisdom of men, but in the power of יְהוָה (1 Corinthians 2:2, 4-5).

You must live a new life in the flesh and live by the *faith* of יְהוָה בָן יְהוָה, the Son of יְהוָה, who loves you and gave Himself for you (Galatians 2:20).

I am the door: by Me if any man enter in, he shall be saved, and shall go in and out, and find pasture (John 10:9). When I dwell within you, it is a priceless treasure, which demonstrates the Excellency of the power of יְהוָה (2 Corinthians 4:7).

So you who are of the day, be sober, putting on the breastplate of *faith* and love; and for a helmet, the hope of Salvation. For יְהוָה has not appointed you to wrath, but to obtain salvation by יְהוָה בָן יְהוָה (1 Thessalonians 5:8-9).

I am come teaching you to walk honestly, uncorruptibly, high-mindedly, reliably, and faithfully, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. Thus, put on יְהוָה בָן יְהוָה by following what I teach (Romans 13:13-14).

If you want to enter into life, you must **not** live selfishly (for yourself only), but live for יְהוָה בָן יְהוָה (2 Corinthians 5:15). You must keep the **commandments, judgments, laws, and statutes** of יְהוָה. For example, you shall do no murder, you shall not commit adultery, you shall not steal, you shall not bear false witness, **honor** your father and your mother: you shall love your neighbor as yourself (Matthew 19:17-19).

Hear, O children of יְהוָה, and be wise, guide your heart in the way of יְהוָה.

Be not among winebibbers; among riotous eaters of flesh: For the drunkard and the glutton shall come to poverty: and drowsiness shall clothe a man with rags (Proverbs 23:19-21).

I beseech you, dearly beloved, to have your conversation honest among the Gentiles: that, whereas they speak against you as evildoers; they may, by YOUR good works, which they shall behold, **glorify** יְהוָה in this day of visitation (1 Peter 2:12).

I say, be wise and live according to the will of יְהוָה in His Spirit. For the end of all things is at hand: be you therefore sober, take heed, watch, and pray: for you know not when the time is (1 Peter 4:6-7; Mark 13:33).

יְהוָה בָן יְהוָה is your Judge. Therefore, judge nothing before the time, until I, יְהוָה בָן יְהוָה come, who both will bring to light the hidden things of darkness, and will make manifest the counsels of the hearts: and then shall every man have praise of יְהוָה (1 Corinthians 4:4-5).

PENNED BY THE MIGHTY GOD

FAITH

HEBREWS 11:1-3

It is My "divine" will to touch your mind spiritually and heal you immediately. It is My "divine" will to touch your deaf and dumb condition and heal you immediately. **All you need to do is come to Me in faith.**

Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good report. Through faith we understand that the worlds were framed by the Word of יהוה, so that things which were seen were not made of things which do appear (Hebrews 11:1-3).

Fear not, little children, I will deliver you. Some of you wonder how in the world can I deliver you when My body is not there. **DON'T YOU UNDERSTAND YET THAT MY BODY IS NOT GOD?** יהוה is Omnipresent. I am with you wherever you are at "all" times. **I AM OMNIPRESENT.** Understand it well.

We shall overcome by faith.

Moses, by faith, refused to be known as the son of Pharaoh's daughter. That is why he was chosen. He had the stamina, the strength, and the wherewithal to refuse to be known as the son of Pharaoh.

You cannot just take on a new Hebrew name on paper and let the opposite come out of your lips. You must refuse all that Pharaoh is, refuse all that the slave name is, all that it stands for, all that it represents, all that it comes from. That is how you overcome by faith. And then your children have to be taught they are gods. You must teach yourself you are gods. Anyone can "say" you are. It is written in Psalm 82:6:

"I have said, Ye are gods; and all of you are children of the Most High."

Reading it in Psalm does not make you gods. I am teaching and telling you how to "become" gods. First, it starts with studying the definitions and character of God in all the dictionaries you can find, including encyclopedias. And then you must study the definitions and character of

your name, because your **name** connects you directly to the Almighty Supreme, יהוה בָּן יהוה, the Builder.

I have often wept, cried many pitiful tears at your pitiful spiritual condition as the so-called Blacks. **I AM YOUR ONLY FRIEND, AND I HAVE "DIVINE" SYMPATHY AND COMPASSION FOR YOU.**

I have the power to heal your "total" condition. If you would only "believe," you would see My glory. I offer comfort to all whom I touch.

I am the "Good" Shepherd, and the "Good" Shepherd gives His life for the safety of the "true" believers. I love you with My life. I am faithful unto death. That is proven. I pray that you are able to receive My words with power and become the sons and daughters of Mine that you are entitled to be by your heritage and your inheritance.

Let the world know that the Son of יהוה is come. Praise the "NAME" יהוה before the whole Earth. You shall be blessed. *Shalom Aleichem.*

MEDITATE IN THE LAWS OF יהוה

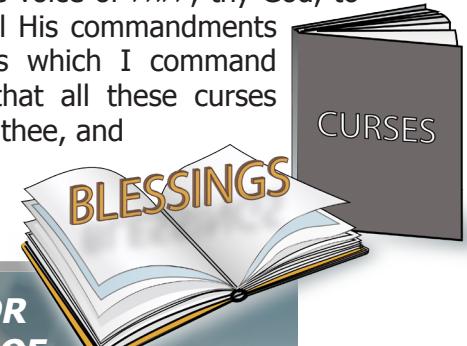

Joshua 1:8

Deuteronomy 28:1-2

"And it shall come to pass, if thou shalt hearken diligently unto the voice of יהוה, thy God, to observe and to do all His commandments which I command thee this day, that יהוה, thy God will set thee on high above all nations of the Earth: And all these blessings shall come on thee, . . . if thou shalt hearken unto the voice of יהוה, thy God."

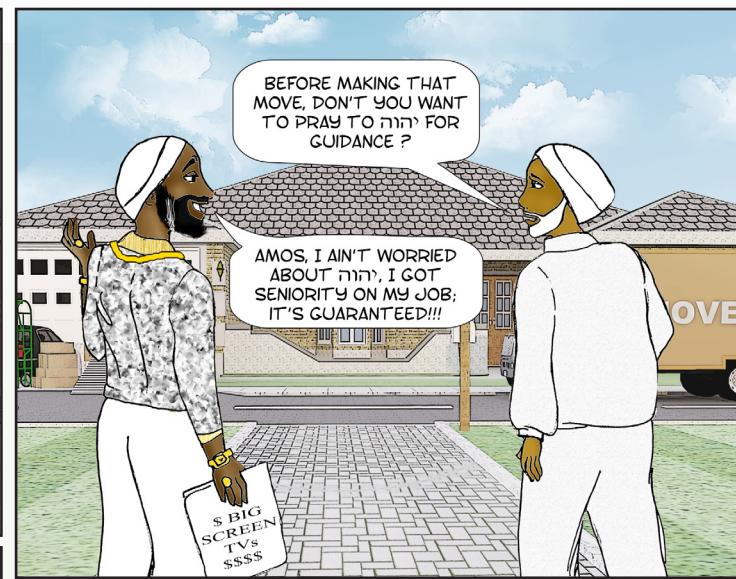

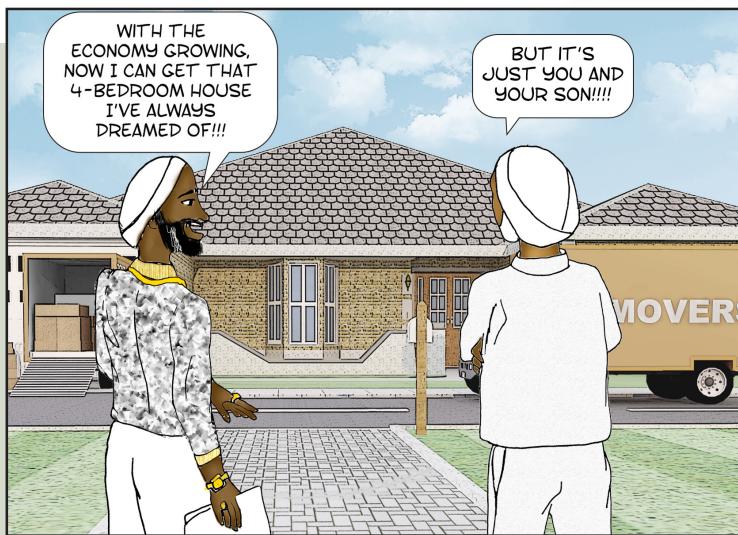

Deuteronomy 28:15

"But it shall come to pass, if thou wilt not hearken unto the voice of יהוה, thy God, to observe to do all His commandments and His statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee":

"...TAKE HEED, AND BEWARE OF COVETOUSNESS: FOR A MAN'S LIFE CONSISTETH NOT IN THE ABUNDANCE OF THE THINGS WHICH HE POSSESSETH."

LUKE 12:15

"For the wicked boasteth of his heart's desire, and blesseth the covetous, whom the Lord, יהוה, abhorreth." Psalm 10:3

Nobody's Perfect

How many times have we heard the phrase: *Nobody's perfect?* It's like an unrelenting mantra negating the very possibility of achieving true perfection. It's usually uttered by well-intentioned friends or family trying to ease the pain or embarrassment of one who just failed at some goal or task. Although the agony of defeat may be rendered more tolerable to the disturbed soul, might this saying questioning the realization of perfection bestow more harm than good?

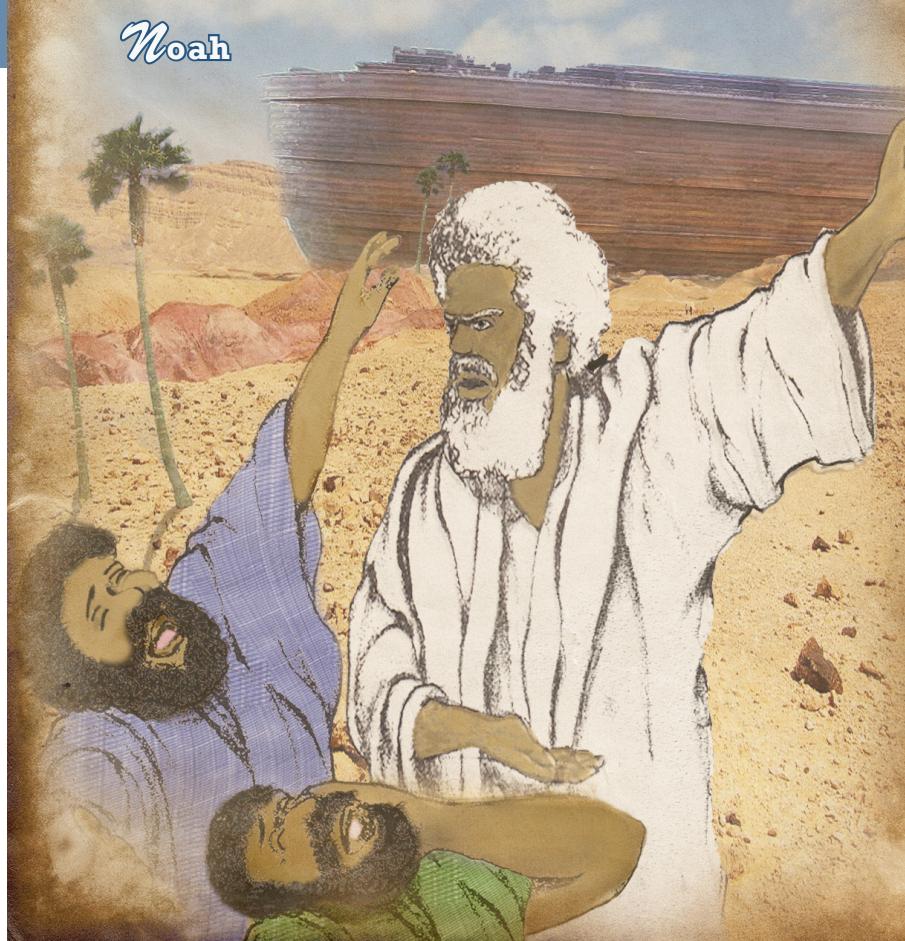

Realistically though, can an individual be perfect? Or, must one accept the notion that no one can ever transcend to this state? Let's look to the Holy Bible for a definitive answer to these questions. Genesis 6:9 describes a man who, in the eyesight of יהוה, was indeed perfect:

"These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God, יהוה."

There is also another Biblical figure—a man hailing from the land of Uz—who likewise mastered perfection:

"There was a man in the land of Uz, whose name was Job; and that man was perfect and upright, and one that feared God, יהוה, and eschewed evil (Job 1:1)."

It seems then that perfection is indeed something that is attainable on a human level. But what exactly does it mean to be perfect? *Noah Webster's 1828 Dictionary of American English*, Computer Software, defines **perfect** as "complete in moral excellencies." The word **moral** is defined, in the same source, as "conformed to rules of

right or to the divine law."

Divine in turn means "proceeding from God."

Noah and Job both conformed to the rules of divine law as given by Almighty God, יהוה. As per 1 Kings 8:61, they let their hearts be perfect with the Lord, יהוה, to walk in His statutes, and to keep His commandments.

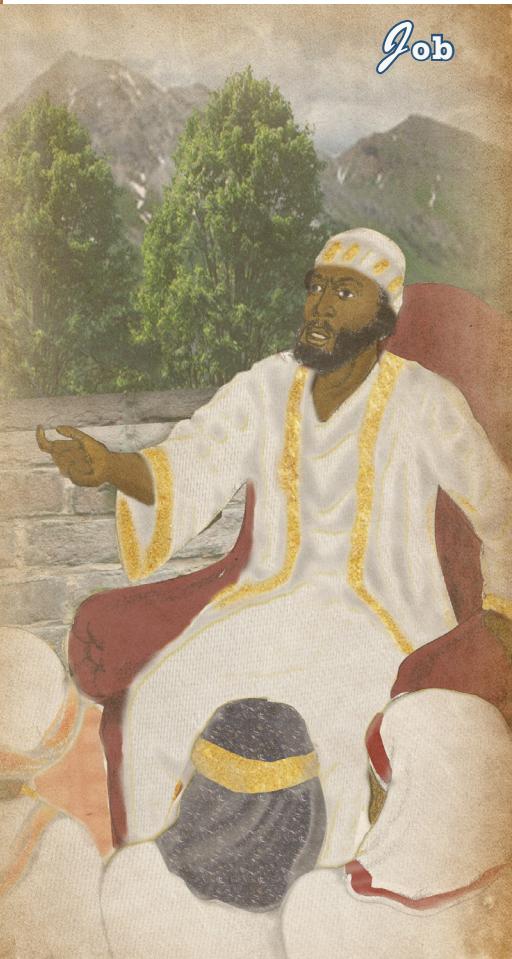

Well, we all know that Noah and Job were undeniably men of exception. But sometimes, in our carnal way of thinking, we perceive these Biblical men of old as being larger than life—they assume a stature that seems out of range of the ordinary fellow. Is it possible for any of us to emulate Noah or Job without morphing into a superhero character? The answer, of

course, is "Yes!"

Psalms 19:7 provides us with the sacred key to perfection: "*The law of the Lord, יהוה, is perfect, converting the soul.*" To **convert** in *Noah Webster's 1828 Dictionary* means "to turn from a bad life to a good one; to change the heart and moral character from enmity to God and from vicious habits, to love of God and to a holy life." For example, the laws of יהוה, as elucidated by His Most Merciful Son, יהוה בָּן, are the perfect tools capable of turning the scattered and blemished souls of Israel—the so-called Black Man of America—from bad to good, from poverty to riches, and from transgressors of the law to keepers of the law.

Following these laws and being perfect is not an option—**it is a divine commandment.** “Be ye therefore perfect, even as your Father, יהוה, which is in Heaven is perfect,” demands Matthew 5:48. Therefore, we as a people must continually remind ourselves, our families, and our loved ones that this divine commandment is to be perpetually obeyed. But first, we must surgically excise the cancer from our psyche that believes “*Nobody’s perfect!*”

In our next report we will discover, *Who Benefits From The Saying: Nobody’s Perfect?*

יהוה says
BE PERFECT
Matthew 5:48

A GENETICALLY MODIFIED CHARACTER

Are you familiar with the acronym G.M.O., better known as Genetically Modified Organisms? In the last decade, we probably all have heard of them at one time or another in relation to fruits and vegetables. But did you know that they are not a new or recent concept? Would you believe GMO’s first existed in the Bible?

Well, in this article we will show you that while GMO is a term we think originated with changes to physical food; it is, in fact associated with the cause of Adam and Eve being banished from the Garden of Eden. To get a better perspective on this, let us go to the books of understanding, the dictionaries, and define genetic (the root of genetically).

Documented in *Webster’s New World Dictionary of the American Language*, Third College Edition, copyright 1994, on page 562, **genetic**, is defined as “of the [G]enesis of something.” **Genesis**, from the same source and page, is “the beginning.” **Begin**, (root word of beginning) in *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 141, means “to have a starting point.” These facts alone prove that GMO’s had their starting point in something: the first Book of the Bible: Genesis! It was in this Book that יהוה told Adam and Eve **not** to eat from the tree of the knowledge of good and evil (Genesis, Chapter 2). To find out why, let us look at genetic from yet another point of view.

Genetic, from the *Bartlett’s Roget’s Thesaurus*, copyright 1996, under reference number 13.32, is “mutant.” *Webster’s New World Dictionary of the American Language, College Edition*, copyright 1964, on page 970, simply describes **mutant** as “undergoing mutation.” **Mutation**, in the same source and page, is “a change, as in form, nature, qualities, etc.” So, Adam and Eve were given specific instructions to **not** eat from the tree of the knowledge of good and evil, in ▶▶▶

A GENETICALLY MODIFIED CHARACTER

Continued

the Garden of Eden, because יְהוָה knew that once they ate from the fruit of this tree that there would be a dramatic change in them.

Their form, nature, and qualities would change from that of the spiritual to the carnal, physically and mentally. יְהוָה specifically told them of the consequence, that if they ate from this tree, they would surely die (Genesis 2:17). However, the serpent convinced Eve that would not happen, but let's see.

Die, in the previously mentioned Webster's, on page 407, means "to become weak, faint, etc.," **weak** (on page 1654) means "lacking in moral strength or firmness of character," and **faint** (on page 521) is "without courage; timid." Now here is documented proof that when Adam ate from the tree of the knowledge of good and evil, he was converted into a person lacking moral strength. He developed into a timid person without courage, lacking firmness of character. And this is exactly what the serpent, Satan, wanted to occur with the family of Adam.

In volume 2 of part 3 of the transcript series *Satan Revealed*, entitled, "A Degrading and Debased Character," the Honorable יְהוָה בָן יְהוָה, stated, "Satan indulges in degrading practices, which destroy your moral character, and which destroy your intellectual character."

Satan, who is the total opposite of יְהוָה, knew that if he could sway Adam's family by whatever means necessary, to eat from the tree of the knowledge of good and evil, that its' mortifying and corrupting fruit would cause them to pander to Satan's degrading practices, which would ultimately destroy their moral and intellectual character.

But how could this same G.M.O. modify your character today? For the answer, read our followup, on "A Genetically Modified Character," *part two*.

RUMORS OF

Would you believe that 90% of all you watch, listen to, and read today is owned by only six companies? It's true! Thanks to mergers and buyouts over the last 50 years, almost all media in 2019, which "includes 24-hour news stations, newspapers, publishing houses, internet utilities, and even video game developers," is owned by the "Big Six": Walt Disney Company, Sony, Time Warner Inc., National Amusements, Comcast, and News Corp (*The 6 Companies That Own (almost) All Media*, [WebFX.com](#), retrieved July 11, 2019).

But why are such massive acquisitions happening now? And could there be a particular message these media giants want to express? Well, first and foremost, this current conglomeration of media is occurring now, because today is the time appointed for the return of the Messiah, יְהוָה בָן יְהוָה, the King of Heaven. And His return is imminent! This is a bold statement, but let us make our case:

Mark, Chapter 13, verse 32, states that no man, no, not the angels which are in Heaven, neither the Son, יְהוָה בָן יְהוָה, knoweth the day or the hour of His return; no one knows but the Father, יְהוָה, Himself.

However, we are able to at least identify the signs of His return. In Matthew, Chapter 24, verse 3, followers of יְהוָה asked, ". . . Tell us, when

WARS

AND WARS: A SIGN

shall these things be? and what shall be the sign of Thy coming, and of the end of the world?" While, He responded with a list of things to watch for, this study will hone in on Verse 6 in which יְהוָה בָן יְהוָה advised them to look for a time in which ". . . ye shall hear of wars and rumors of wars: . . ."

Hear, is defined in the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1998, as "be informed of: to hear news; to listen to the testimony of (someone)." In the same source, **news** describes "the presentation of a report on recent events in a newspaper or on radio or television." In addition, based upon the veracity of *Webster's New World Dictionary*, copyright 1968, on page 668, **hear** is explained as "to learn and be told." **Learn**, from the same source, on page 833, is "get and fix in the mind."

Thus, we shall see an era in which we will be informed of and told of recent events concerning wars and rumors of wars through 24-hour news stations—both radio and television—newspapers, publishing houses, internet utilities, and even video game developers. This describes no other time in history, because only today do we have presentations of such reports on 24-hour worldwide cable networks and streaming services. Only in this generation does technology permit us to

be able to listen to the testimonies (opinions and pontifications) of others concerning wars and rumors of wars, so that these topics are firmly fixed in the minds of the people of Earth.

More evidence that this is the time to be on the watch for the impending return of the King, בֶן יְהוָה,

can be shared with understanding what the particular message is that media giants—like the Big Six—want to express, and what we shall hear, are *wars and rumors of wars*.

Now, **war** usually calls to mind military conflict such as: the war in Afghanistan, Iraq, Libya, Syria, Yemen, the Ukraine, and the confrontation between Turkey and the Kurds, or threats of clashes between the U.S. and North Korea and Iran.

Yet, war has many other meanings. In the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1998, **war** is "active hostility." And in *The Synonym Finder by J.I. Rodale*, copyright 1978, on page 20, **active** is the same as "restless" and "ongoing." Some synonyms for **hostility**, found in *The American Heritage Talking Dictionary*, Computer Software, copyright 1997, are "combativeness, deep-seated hatred, or ill will; enmity; animosity." In addition, the word **war**, according to the *Strong's Hebrew and Greek Dictionaries* within e-Sword, Computer Software, copyright 2000-2009, reference number G4171, is to "bustle." **Bustle**, from the *American Dictionary of The English Language*, Noah Webster's 1828 *Dictionary of American English*, Computer Software, means "tumult from stirring or agitation."

And we shall "*hear . . . rumors of wars*" at the same time. **Rumor**, based upon the aforementioned *Synonym Finder*, on page 1058, is the same as "report and information." **Report**, from the same *Noah Webster's 1828 Dictionary*, is defined as "story circulated." **Circulate**, (*Synonym Finder*, on page 169) is "broadcast", and on page 134, **broadcast**, is "publish, advertise, transmit, cable, air, and telecast"; a **story**, on page 1172, is "a narrative."

Lastly, in the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1998, **narrative** is defined as an "account of events, experiences, or the like, whether true or fictitious"; and **fictitious** (same dictionary) is something that is "created for the sake of concealment; false." The *Synonym Finder*, mentioned earlier, on page 205, lists the following as synonyms for **conceal** (base of the word concealment): "hide, cover up, keep secret, bury, disguise"; then on page 393, **false** is the same as "untrue, lying, deceptive, and fake."

There we have it: additional conclusive confirmation today is the time portending the arrival of the Messianic King, יְהוָה בָּן יְהוָה. Because in this era, people have not just been exposed to recent military clashes and conflicts, but they have been given deceptive reasons for conducting these campaigns for the sake of covering up and hiding the truth. Prime example—ten years ago we went into Iraq because we were told we would free its people from the grips of a horrid leader, Saddam Hussein, and his weapons of mass

destruction, but the truth is that controlling the oil of the region was the main goal of the battle (Antonia Juhasz, *Why the War in Iraq was Fought for Big Oil*, posted on cnn.com, April 15, 2013).

Also, during this time, we have been stirred and agitated into an unprecedented state of tumultuousness: our minds are constantly bombarded with accounts of events of possible nuclear proliferation from North Korea and Iran, while in reality, the sitting president uses these disputes; especially with North Korea, as a means to gain votes for his re-election bid (*Trump Steps Into North Korea and Agrees With Kim Jong-un to Resume Talks*, nytimes.com, June 30, 2019).

Moreover, our minds are being firmly fixed on the cataclysmic climate-altered weather patterns and storms we have been experiencing, while commissioned scientists assure us its untrue: "[f]ear of global warming is exaggerated . . ." (*Have Scientists Really Admitted Climate Change Sceptics are Right?*, TheIndependent.co.uk.com, September 19, 2017).

It is during this unmatched period, we are told over and over again, in and on every media outlet, of recent statements of restless combativeness among our elected officials and enmity between political parties leaving us to wonder what new legislation and policies are disguised by these arguments and quarrels. Then

RUMORS OF WARS AND WARS: A SIGN

again, others express their opinions daily that we are being lied to about the extent of ill will that is manifested worldwide as violent protest, mysterious deaths, plus missing and exploited children, etc. We are also being informed that what we see as deep-seated hatred and visible animosity for particular ethnic groups in our communities is all fake news!

Don't forget, all of these accounts are published, advertised, transmitted, aired, and telecast on television and radio 24-hours each and every day.

But, there is much more to stir and agitate us to a tumult today, because there are many other types of wars. Notice, Matthew, Chapter 24, verse 6 does mention wars in the plural. And the Internet, along with the 24-hour cable news and radio stations, and newspapers talk of them quite often: currency wars, trade wars, family wars, AI and cyber wars, war on poverty, war on drugs, and most importantly word wars.

Just look at a couple of these other types of wars, starting with the currency war. There are three chief world currencies today. They are the dollar, the euro, and the yuan. Currency wars are initiated when countries devalue their currencies to make their exports appear attractive on the open market. (Agence France Press News (AFP) [[Youtube.com](#)] "Currency Wars"),

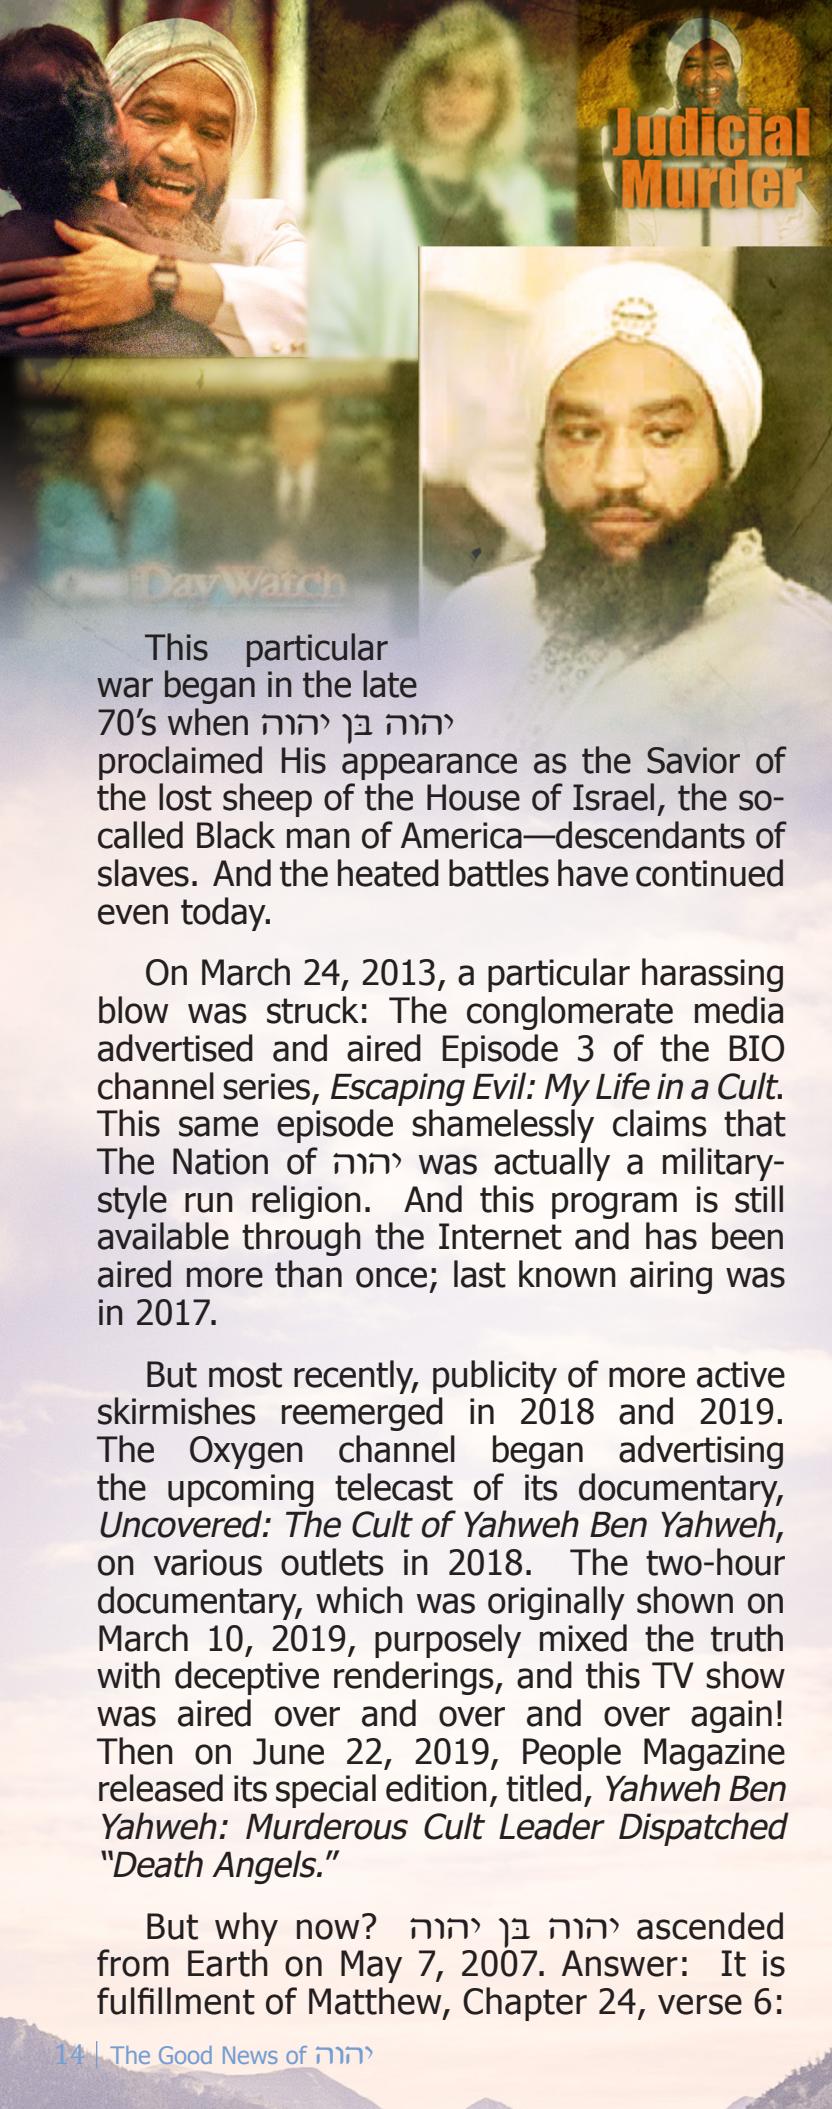

February 15, 2013.) But what is being buried from disclosure to the average tax-paying American is, such currency battles actually result in most profits, from what the U.S. sells, remains overseas causing budget deficits and major debt. We import much more than we export, even from supposed U.S. companies who have moved their manufacturing to other countries to cut costs. (July 23, 2011, David McAlvany, of *McAlvany Financial* [[Youtube.com](#) "Competitive Currency Devaluation"].) The result: America's debt is over 21 Trillion Dollars ([www.USdebtclock.org](#)).

Should our creditors ever demand immediate payment on that debt, the economy shall tank. It is not a matter of if, but when, because the analogous caution and prophecy is found in the Bible. Genesis, Chapter 47, verse 15, warns of a time when the "*... money failed in the land of Egypt, and in the land of Canaan . . .*"

In conclusion, we shall address word wars. The most significant of which occurred in Heaven: Revelation, Chapter 12, verse 7, reads: "*And there was war in Heaven: Michael and His angels fought against the dragon; and the dragon fought and his angels,*"

In the *Strong's Hebrew and Greek Dictionaries* within e-Sword, Computer Software, copyright 2000-2009, at reference number G3772, **heaven** means "air." And in *The Synonym Finder* by J.I. Rodale, copyright 1978, on page 37, **air** denotes "circulation, publication, publicity, and outlet." **Michael** is symbolic of the Christ (*International Standard Bible Encyclopedia*, within e-Sword, Computer Software, copyright 2000-2009). The **dragon** is "Satan," according to *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1998.

Consequently there was, and still is, a word war fought between יְהוָה בָן יְהוָה, the Christ, the Messiah, the King of Heaven, and His followers; and Satan and his angels circulated in the media; those same 24-hour news stations, newspapers, publications, and outlets owned today by the "Big Six." ►►►

This particular war began in the late 70's when יהוה בן יהוה proclaimed His appearance as the Savior of the lost sheep of the House of Israel, the so-called Black man of America—descendants of slaves. And the heated battles have continued even today.

On March 24, 2013, a particular harassing blow was struck: The conglomerate media advertised and aired Episode 3 of the BIO channel series, *Escaping Evil: My Life in a Cult*. This same episode shamelessly claims that The Nation of יהוה was actually a military-style run religion. And this program is still available through the Internet and has been aired more than once; last known airing was in 2017.

But most recently, publicity of more active skirmishes reemerged in 2018 and 2019. The Oxygen channel began advertising the upcoming telecast of its documentary, *Uncovered: The Cult of Yahweh Ben Yahweh*, on various outlets in 2018. The two-hour documentary, which was originally shown on March 10, 2019, purposely mixed the truth with deceptive renderings, and this TV show was aired over and over and over again! Then on June 22, 2019, People Magazine released its special edition, titled, *Yahweh Ben Yahweh: Murderous Cult Leader Dispatched "Death Angels."*

But why now? יהוה בן יהוה ascended from Earth on May 7, 2007. Answer: It is fulfillment of Matthew, Chapter 24, verse 6:

Ye shall hear of wars and rumors of wars.

These latter publicity-driven war-like releases were written and created for the sake of keeping secret their real motive for releasing these accounts of events. The reason the Oxygen channel program in particular—and those like it—was produced and aggressively publicized was to cause anyone viewing it to accept their depiction of יהוה בן יהוה as the founder and leader of a dangerous and murderous cult, so that the good people of the Earth, who are looking for the return of the Savior, would be deceived and would reject יהוה בן יהוה as the One promised to appear.

But appear, He shall as assured in Matthew, Chapter 26, verse 64; for ". . . [h]ereafter shall ye see the Son of Man sitting on the right hand of power, and coming in the clouds of Heaven." Remember **heaven** means air, and in the previously documented reference, **air** also means **aerospace**: the Earth's atmosphere and the space outside it, considered as one continuous field (from page 22 of the *Webster's New World College Dictionary*, Fourth Edition, copyright 1999).

Thus, every eye shall see His glorious and triumphant return in the continuous field of the Earth's atmosphere and the space outside it. Could this be the reason the President has called for the establishment of a Space Force, the latest branch of the U.S. military? Could this mean we are about to enter into a real "Star Wars," or is this just another rumor? In either case, get ready, because the Return of the King, יהוה בן יהוה, is at hand! Be on the watch for the next sign!

BECOME A MEMBER OF THE ROYAL PRIESTHOOD!

PART 3

In our last article we discussed that in order to enter the Kingdom of Heaven, and be a select member of the Royal Priesthood, you must keep the divine laws of יהוה, which will deliver you from the time where there shall be no work for the head or the tail.

Now, in this article we will address yet another reason to become a steadfast member of the Royal Priesthood: the physical blessings that will be bestowed upon those who choose to join this exclusive group. יהוה בָּן יְהוָה states, in the transcript, *The Royal Priesthood*, part 4, on page 13, that "According to 1 Kings, Chapter 10, verse 13, the Royal Priesthood will enjoy a royal bounty."

Bounty in *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990, in the Hebrew Dictionary of the Old Testament, reference number 3027, is recorded as "state." **State**, in the *Funk and Wagnalls Comprehensive Standard Dictionary*, copyright 1934, on page 571, is "commonwealth." And **common**, on page 120, is defined as "joint." Finally, **wealth** is described, on page 662, as "a large aggregate of property; riches."

Thus, if you make the intelligent decision to join the Royal Priesthood, you can enjoy the large aggregate of property and riches that the righteous people of the Earth are to own jointly. This can be supported in Isaiah, Chapter 60, verse 5 and Proverbs, Chapter 14, verse 22, which reads in part: "*the wealth of the sinner is laid up for the just.*"

To put it another way, there is a ton of money, or an enormous sum of accumulated riches in the world, that is reserved for and will flow into the Royal

Priesthood. Just how much had already been accumulated by January 29, 2016, was reported at *marketwatch.com* on that date: "Ever wonder how much money there is in the world? For purists, who believe money refers only to currencies such as bank notes, coins, and money deposited in savings or checking accounts, the total is somewhere around 80.9 trillion. But for those preferring a broader interpretation, including digital currency bitcoin, above ground gold supply, and funds invested in various financial products like derivatives, the amount is in the quadrillions."

Therefore, become a member of the Royal Priesthood and enjoy the royal reward of between 80.9 trillion and quadrillions of dollars set aside for the just. For as it was for Solomon, the just and wise king of Israel in Biblical times, so shall it be, and even more, for

יהוה בָּן יְהוָה, the One greater than Solomon. Read 1 Kings, Chapter 10, verses 23-25, and Luke, Chapter 11, verse 31:

"So king Solomon exceeded all the kings of the Earth for riches and for ►►►

wisdom. And all the Earth sought to Solomon, to hear his wisdom, which God, יהוה, had put in his heart. And they brought every man his present, vessels of silver, and vessels of gold, and garments, and armor, and spices, horses, and mules, a rate year by year."

"The queen of the South shall rise up in the judgment with the men of this generation, and condemn them: for she came from the utmost parts of the Earth to hear the wisdom of Solomon; and, behold, a greater than Solomon is here."

If that which has been shared thus far still isn't enough to convince you to run to בָּנֵי יהוה and join the Royal Priesthood, then maybe you should consider what בָּנֵי יהוה stated further in part 5 of *The Royal Priesthood* transcript, on page 20, "All that see your seed—your children—shall acknowledge them that they are the seed which בָּנֵי יהוה has blessed, and I will give unto the Royal Priesthood the keys of the Kingdom."

Consequently, if you're tired of scraping pennies together and trying to figure out where your next meal is going to come from, then repent and turn to בָּנֵי יהוה and keep His perfect laws so you will qualify to become a member of the select, elite, and prestigious Royal Priesthood, which shall hold the keys to the Kingdom, and in which you will jointly benefit from the enormous riches that will continuously flow from year to year into the Kingdom, for the blessing of בָּנֵי יהוה will indeed make you rich (Proverbs, Chapter 10, verse 22).

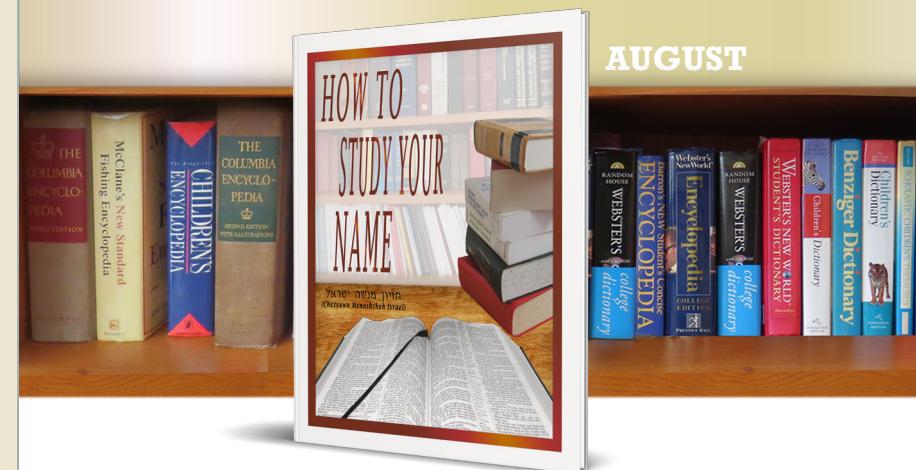

However, the blessings of the Lord, בָּנֵי יהוה, are not limited to physical wealth and abundance. His grace includes

being safely secured and sheltered from calamitous storms, and even extreme weather conditions. So we welcome you to be on the watch for our next article, in the series *Become a Member of the Royal Priesthood*, wherein we will definitively disclose just who controls nature.

HEALTH AND WELLNESS

Sugar, oh how sweet it is. But sugar; especially white processed sugar, as originally pronounced in 1992 by יהוה בָן . . . is a devastating poison and destroys our bodies in many, many ways" (page 33).

"Entirely too much sugar is consumed. Individuals in America consume more than 125 pounds of sugar annually, and they are not aware of it. That's because sugar is hidden in many foods such as cereals, ketchup, canned foods, frozen foods, etc. In fact, almost 70 percent of the sugar that we consume is hidden in foods" (page 34).

Obesity, high blood pressure, and diabetes are just a few of the conditions known to be caused by an over consumption of sugar (page 36). And scientific review of those conditions has raised an alarm on the effects of sugar on the heart.

Divine Dietary Laws for Hebrew Israelites and the World (Revised and Expanded) Third Edition

The 2014 study published in JAMA Internal Medicine states that researchers have found a correlation between a high-sugar diet and a greater risk of dying from heart disease for persons receiving 17 to 21 percent of their calories from sugars added or hidden in foods. "Dr Hu is quoted as saying, The higher the intake of sugar, the higher the risk for heart disease" (*The Sweet Danger of Sugar*, May 2017, www.health.harvard.edu).

How? The Harvard study shows that too much sugar causes a fatty liver, which is directly related to diabetes, and heart disease is a confirmed risk factor for diabetics. Haven't you seen the surge in TV commercials for Jardiance in which the claim is made the drug helps prevent cardiovascular deaths in diabetic patients?

Sugar can also adversely impact the heart, according to the

DON'T BE A SWEETHEART, SUGAR!

Harvard researchers, because of the weight gain, high blood pressure, and chronic inflammation resulting from eating added and hidden sugars. All lead to heart disease.

But no one is suggesting that we totally eliminate sugar from our diets. In fact, יהוה בָן informs us that "[a] bit of honey (pure, raw unfiltered with the comb) and raw brown sugar or molasses will not be harmful. The 'BEST WAY' to satisfy your 'SWEET TOOTH' is to eat plenty of fresh fruit. This is the 'NATURAL WAY'" (*Divine Dietary Laws*, page 37).

Notice יהוה בָן used the word "bit." In the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1998, **bit** means "a small quantity of anything." In that same dictionary, **small** is defined as "not great in amount, degree, extent, duration, value, etc." Therefore, raw pure honey—with the comb, if you can get it, and raw brown sugar, and molasses will do you no harm if not consumed in great amounts; certainly **not** to the degree or extent that they are eaten over a short duration, like bingeing on candies, pastries, or other sweets. We should value gobbling up moderate quantities of sugars.

Even the Food and Drug administration has updated food labels to help us be aware of the sugars that are added to our foods. The modified label lists the sugars hidden as carbohydrates in the food, so a correct total of sugars can be provided for the consumer. This new ". . . Nutrition Facts label that highlights the amount of added sugars in food could prevent nearly 1 million cases of heart disease . . ." (from "Added Sugars" Label on Foods May Save Many Lives, Dennis Thompson, [WebMD.com](https://www.webmd.com), April 15, 2019).

Thus, enjoy all the pleasant and gratifying tastes we enjoy and crave, but make it a point to be moderate in your choices, to limit your risk for cardiovascular diseases, so, you won't be a sweetheart, Sugar!

יְהוָה Lives in the Congregation of the Dead

People say they love God, and don't know יְהוָה (Yahweh) is His Name, but can tell you every player that has ever played in every major game

People say they love God, but text more than they pray, every second, of every minute of every single day

People say they love God, but only speak profane, in front of children, and elders, and even God, they do not refrain

People say they love God, and will lie right to your face, and will stab you in the back, as if it's common place

People say they love God, but they don't keep His laws, then wonder why they're always crying and struggling, or why their life is so hard

People say they love God, and behave just like the devil, a low-life, an evil thing, from the lowest level

People say they love God, but they'd rather live in Hell, incapable of being moral, they're under Satan's spell

People say they love God, but mimic The Son of Perdition, drinking, smoking, sniffing, and ALL manner of addiction

People say they love God, and won't even crack a smile, and every time you see them, they're raising Cain and acting wild

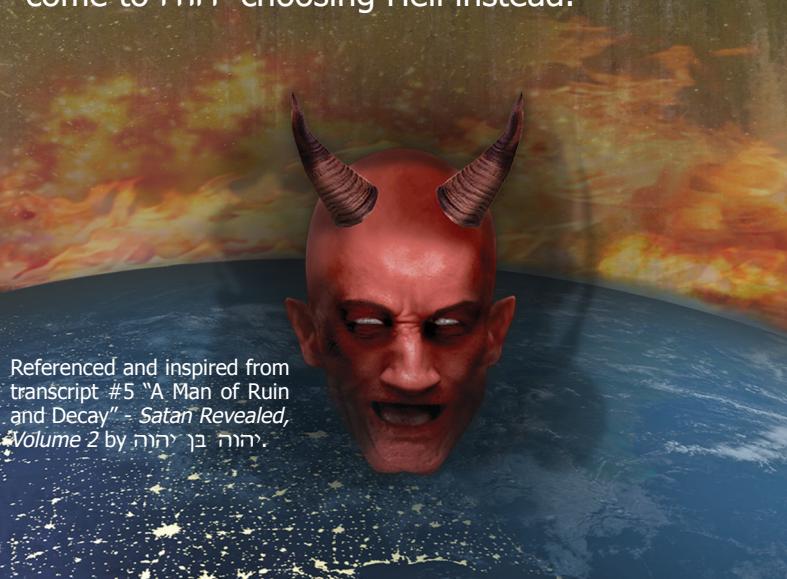

People say they love God, and always doing dirt, behaving like a heathen, an inherent pervert

People say they love God, but don't even love themselves, and they're always depressed, and they're always overwhelmed

People say they love God, but they have gone astray, only to grow less in power, souls dying from decay

People say they love God; yet remain in the "congregation of the dead" and will not come to יְהוָה choosing Hell instead.
