# THE SUN CLAD WOMAN

The Immaculate Conception has always been one of the world's greatest wonders. Wonder no more, because in this book, יהוה בן יהוה unveils the dramatic succession of events that took place between the *Sun Clad Woman* and the great Red Dragon (Revelation 12:1-4).

Although this Dragon stood before the *Woman* to devour Her child as soon as it was born, She yet miraculously brought forth a man child without pain, thus consigning the Dragon to a powerless position.

Despite the fact that the Dragon was wroth with the *Woman*, and went to make war with the remnant of Her seed, which keep the commandments of יהוה, and have the testimony of יהוה בן יהוה, the Earth helped the *Woman*, and swallowed up the flood of lies which the dragon cast out of his mouth (Revelation 12:16-17).

"And they overcame him by the blood of the Lamb, and by the word of their testimony; . . ."

## THE SUN CLAD WOMAN

"America is going to taste fierceness: The fierceness of the wrath of יְהוָה shall be visited upon America. How are you going to survive? When יְהוָה rains His fierceness upon America, you can only survive by coming to His Son, [יְהוָה בָן יְהוָה]."

"It is a vain heathen, terribly enraged that seeks to do battle with יְהוָה. The heathen can't do anything against יְהוָה anymore than you can do something against the truth. It doesn't matter how many lies the media creates, the truth endures through all generations."

"This Bible covers six thousand years of history. And יְהוָה has a million percent record of 'never' losing. He never lied. Out of six thousand years, every thing He said would happen, has happened. He has a 'perfect' record."

# A SPECIAL MESSAGE FROM יְהוָה בָן יְהוָה

**I** am יְהוָה בָן יְהוָה. Nobody else on Earth has ever come in this name, bearing this name but Me. That makes Me unique and One of a kind.

I am the One born to be a Faithful Witness that יְהוָה is God. And no matter who comes up against Me, I win.

Daniel, Chapter 7, verse 25 tells you something that is enlightening, and it reads: *"And he shall speak great words against the Most High, . . ."*

I, יְהוָה, am the Most High. If you read the newspapers and watch television, they are speaking great words against Me, even now. But notice they are limited to words.

All nations are limited to the Script. I know the "plot," and I know the outcome of the play. יְהוָה wrote it and He declared the end from the beginning as recorded in Isaiah, Chapter 46, verse 10 and it states:

*"Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all My pleasure":*

The trick is to try to keep those who would come from coming; and you that have come, to try to cause you to leave. That is the game. But all across America, My people regardless of their race, creed, or color, are still coming to Me. And they are saying, "We are too wide awake and intelligent for the trick of divide and conquer to work."

America is going to be like Sodom and Gomorrah (Genesis 19:24-25). Yes, יְהוָה is going to overthrow this place. They don't like Me telling you this. However, only you who listen to the Son of יְהוָה, Me will escape.

You all had better hurry up and come to

Me before there is no room for you to come. All nations are going to come as written in Revelation, Chapter 7, verse, 9 which reads:

*"After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, and before יְהוָה בָן יְהוָה . . ."*

I have ninety-nine nations that are going to come and they are all My people. Every one of those nations are My nation, and I am their God.

As the Sun Clad Woman, My being with child is an Immaculate Conception. Satan wants to devour My child, and he is doing his number through a mind game: He is seeking to control your "mind." Therefore, you must flee from him mentally, especially since you are here in the wilderness of North America.

On the other hand, as he uses his "tales" to keep you from coming to Me or to draw you away from Me, remember I shall be victorious!

# PENNED BY THE MIGHTY GOD

## REPENTANCE

LUKE 24:47

You that are whole have no need of the Physician, but you that are sick: I came not to call the righteous, but those who are breaking the commandments, judgments, laws, and statutes to REPENTANCE (Mark 2:17).

You must consider the fact the COVENANT OF GRACE is based on the condition that you **repent** for breaking the commandments, judgments, laws, and statutes of יְהוָה. For man is held accountable to the PERFECT MORAL LAWS OF יְהוָה.

It is a FALSE and WICKED DECEPTION to think you are ONLY required to BELIEVE, then you can LIVE AS YOU PLEASE. I am here warning believers against this form of thinking. You cannot continue in the SIN of breaking the commandments, judgments, laws, and statutes of יְהוָה, but abide in RIGHTEOUSNESS.

Merely ACTING good will not make one RIGHTEOUS. The ones habitually doing RIGHTEOUSNESS are considered RIGHTEOUS. You must not only make the righteousness and holy life of יְהוָה the object of your trust, but also the pattern of your walk and practice.

Beloved, follow not that which is evil, but that which is GOOD. He that does GOOD is of יְהוָה: But he that does EVIL has not seen יְהוָה (1 John 3:7).

I am manifested to offer you the opportunity to take on a DIVINE NATURE in a corrupt world. WALK IN THE LIGHT. If you say you have NO SIN in breaking the commandments, judgments, laws, and statutes of יְהוָה, you deceive yourself, and the TRUTH is not in you (1 John 1:8).

I am offering you the GIFT of SALVATION, but you must take the initiative to receive it. This GIFT OF SALVATION is of a HEAVENLY ORIGIN. Study the words of the Kingdom of

יְהוָה—Heaven, and above all, SEEK understanding.

I am teaching the knowledge of GOOD, which will help QUALIFY you to enter the Kingdom of יְהוָה—Heaven. My message of the KINGDOM of יְהוָה is available to you through the latest technology of the World-Wide Web, INTERNET, the SUPER-HIGHWAY. Now everybody is without excuse; because this SOUND is going into ALL the Earth, and the PUBLISHED WORDS unto the ends of the world (Romans 10:18).

On the other hand, the burden of My message is the announcement that the DAY OF יְהוָה בֶן יְהוָה is imminent. Therefore, I appeal to you to "REPENT" of breaking the commandments, judgments, laws, and statutes of יְהוָה in preparation of THAT DAY, and to signify your REPENTANCE by submitting to the teachings of **B-APT-ISMS**.

More information on BAPTISM is available in the *How To Receive* יְהוָה בֶן יְהוָה series.

# BECOME A MEMBER OF THE ROYAL PRIESTHOOD!

Have you ever heard of the Royal Priesthood? Would you believe that you can become a member of such a select group? Well, says in the transcript *The Royal Priesthood: Your "Divine" Authority*, on page 1, that "all people of Earth are welcome to follow יהוה בן יהוה and to be a citizen of The Nation of יהוה, the Royal Priesthood." Sound intriguing? Then get ready to learn more.

1 Peter 2:9 reads: "But ye are a chosen generation, a **royal priesthood**, a holy nation, a peculiar people; that ye should show forth the praises of Him who hath called you out of darkness into His marvelous light":

**Priesthood** is defined in *The New Strong's Exhaustive Concordance of the Bible*, copyright 1990, in the Greek Dictionary of the New Testament, under reference number 2406, as "sacerdotal order."

**Sacerdotal** is recorded in *Webster's Seventh New Collegiate Dictionary*, copyright 1969, on page 756, as "relating to sacerdotalism." **Sacerdotalism** is defined on the same page as "religious beliefs emphasizing the powers of priests as essential mediators between God and man." Finally, **mediate**, the root of the word *mediator* is recorded in the *Funk and Wagnalls Comprehensive Standard Dictionary*, copyright 1934, on page 376, as "to interpose between parties in order to harmonize them."

Therefore, not only is יהוה בן יהוה calling you out of darkness into His marvelous light, but He is also inviting you to take part in a royal order relating to a particular religious belief: יהוה בן יהוה. This order places emphasis on its priestly

powers as essential interposers between יהוה and man in order to harmonize them in divine unity.

In fact, on page 3, of the aforementioned transcript, יהוה בן יהוה describes the Royal Priesthood as having "... supreme, divine authority" and that its "... influence of reign is the REMEDY to all problems of the world."

**Remedy** is defined in the previously mentioned *Funk and Wagnalls*, on page 496, as "to make right; repair; correct." This proves that the Royal Priesthood shall make right, repair, and correct all the problems of the world. How will this monumental task be achieved? By adhering to and following the perfect, established laws of יהוה, and by teaching the world how to be heavenly-minded.

Furthermore, יהוה בן יהוה also states in *The Royal Priesthood: You Must Be Born Again*, on page 17, that "You are chosen by Almighty יהוה to be superior in holiness; to lead the world in production. Listen to that well: To lead the world in production." Again relying on the *Funk and Wagnalls* dictionary, **product** the root of production, on page

469, means "anything produced."

So, why would the world need a new leader in anything and all things produced? Because present global leaders are corrupt and have produced a society of godless people with little or no morals; lacking even the ability to read as found at *creditdonkey.com* on May 12, 2016, which states ". . . approximately 32 million adults in America are considered to be illiterate; about fourteen percent of the entire adult population cannot read." The website goes on to say that ". . . on a global scale, illiteracy affects 774 million adults aged 15 or older."

If this were not tragic in itself, *rollingstones.com* posted a September 28, 2016 article with the title "*Satanist Club Coming to Oregon Elementary Schools*." The author reported that this ". . . makes Oregon the first state in the United States to approve satanic after school programs in public schools. The program has also been proposed in schools in Atlanta, Los Angeles, Salt Lake City, Tucson, Washington D.C., as well as Missouri and Pensacola, Florida."

Hopefully you can see why the Royal Priesthood is needed. Its goal is to produce a perfect moral society with one hundred percent literacy and schools based upon the principles of יהוה. There is still a slot open for you, so look for our next article to show you how to become a member of the Royal Priesthood.

## AUGUST

The establishment of *The Kingdom of יהוה—Heaven* is part of the Messianic Mission of יהוה בָּן יְהוָה. This mission is detailed like never before in this one of a kind book. The eschatological process that comes from the decisive manifestation of His "Divine" power is explained in such cerebral terms that you will be astonished at how you will be able to recite with clarity and conviction that,

Are you aware that at this very moment you could be surrounded by whisperers who can cause conflict and create discord in your life? Did you know that hatred, jealousy, murders, and wars can all begin with just a whisper? In fact, anyone who says he has never been a whisperer is a liar and the truth dwells not in him. So what would be the easiest way to recognize them? Well,

Do you realize that the "great tribulation" such as was not since the beginning of the world to this time, no, nor ever shall be (Matthew 24:21) is fast approaching? It is time for the "true" believers, to unite like never before. *Unity For The True Believers* contains explicit instructions from יהוה בָּן יְהוָה to His family—those who do the will of יהוה—concerning what they must do to survive these calamitous days. This wisdom is yours for the asking.

## THE VERB SERIES: WAIT

### PART TWO

In part one of this series, we introduced the nuances and intricacies of the verb “**wait**” to demonstrate how the so-called Black man of America—the present and historical tribe of Judah—must master the English language. We will continue to study interpretations of “wait” in this second part of the series.

But first we must acknowledge that it is יהוה בָן, the Only Begotten Son of יהוה, who taught the so-called Black man of America his true historical significance to God, יהוה, and the need to master the strange tongue of our oppressors. He declared in the transcript, *The Royal Priesthood: Receive The Holy Spirit*, on pages 11-12, that we only “think” we speak English. Therefore, we are encouraged to study (2 Timothy 2:15) so we can understand the nature of English.

That includes accepting the fact that “As of 2014, there were over 1,025,109 words in the English language. About eighty percent of those words is rooted in Hebrew, Latin, the Germanic or Saxon tongues, Greek, and a multitude of others” (*Grammatically Decoding the Bible*, by The Witnesses of יהוה בָן יהוה, copyright 2015, on page 2).

Consequently, as you may have discerned by now, it is necessary to learn a little bit of Hebrew just to begin to master English; especially as that relates to comprehending the godly messages stated literally, figuratively, metaphorically, etc., in the King James Version of the Holy Bible.

So let us explore the variant Hebrew roots for the English verb **wait** beginning with Psalm, Chapter 62, verse 5, which pleads: “*My soul, wait thou only upon יהוה; for my expectation is from Him.*”

According to *Strong's Exhaustive Concordance of the Bible*, Updated Edition, *Dictionary of Hebrew and Aramaic Words*, copyright 2007, on page 1488, reference number 1826, **wait** is translated into English from the Hebrew word **damam** (pronounced daw-mam') spelled, from right to left, דָמָם (daleth, mem, final mem). **Damam** not only implies patience, the common connotation of wait, but also means “rest, be silent, keep silence, put to silence, be still, stand still, tarry.” Using these definitions, your soul is not just to be patient, but is to rest in יהוה and be and keep silent, in expectation from Him. Any conversation or noise to the contrary must be put to silence, because you can be and stand still and tarry knowing your soul is safe in the hope He has given you.

See, a single Hebrew word can have differing connotations, and multiple meanings, based on and embraced by the context of the Bible Verse. Likewise, a *single* English word can be connected to more than one Hebrew word, again depending upon the context. Psalm, Chapter 52, verses 7-9 is an example:

*יְהוָה לֹא, this is the man that made not his strength; but trusted in the abundance of his riches, and strengthened himself in his wickedness.*

*8 But I am like a green olive tree in the house of יהוה: I trust in the mercy of יהוה forever and ever.*

*9 I will praise Thee forever, because Thou hast done it: and I will wait on Thy name; for it is good before Thy saints.*

In Verse 9, “wait” is linked to another Hebrew word—a different but synonymous term found under reference number 6960, on page 1567, of the aforementioned *Strong's Dictionary of*

*Hebrew and Aramaic Words.* That word is **qava[h]** (pronounced kaw-vaw') spelled in Hebrew קָוָה (kof, wav, hey); a primitive root verb meaning, "to bind together (perhaps by twisting), i.e. collect."

In *Webster's Ninth New Collegiate Dictionary*, copyright 1989, on page 151, **bind** is defined as "to put under an obligation; to set at work as an apprentice." And on page 259, **collect** is "to regain control of."

With this added information, and within the context of the provided example, it can be concluded that you should not be like others who have trusted in riches and wickedness, but should trust in יְהוָה, and recognize that you are under a moral obligation to not just rest, but to set to work as an apprentice and regain control of the knowledge and power within the name of God, יְהוָה.

Beginning to see why mastering English is so important? Do you grasp how understanding the verb wait makes this clear? Or is it all still a bit hazy? Well, then you must read part three of this series, because it will be made plain as day why learning English will save you and your family from apocalyptic wrath in the Day of the Lord, יְהוָה בָן יְהוָה.

יְהוָה came to the Earth speaking English. However, before He came, He caused the Holy Bible to be translated into English, and commanded us to do as written in 2 Timothy 2:15:

*Study to show thyself approved unto יְהוָה, a workman that needeth not to be ashamed, rightly dividing the word of truth.*

To be able to rightly divide the word of truth, we must study the very nature of words, seek to understand all that we can about each word, and then apply what we have learned to better ourselves as individuals and our nation as a whole.

Hence, יְהוָה caused the English language to be interconnected into eight parts of speech: nouns, pronouns, verbs, adverbs, adjectives, prepositions, conjunctions, and interjections. For that reason, it is impossible to properly speak or write in the English language without knowing and understanding the eight parts of speech and how they are used, arranged, or structured in a sentence.

# BONES NOT TO BE BROKEN

PART ONE

**W**hen you hear the word *bones*, what comes to your mind? a mental picture of a dead, dried up carcass? or the skeleton in anatomy class? maybe a couple of musical hand clappers for beating time? or even a set of dice or dominoes? Depending on your lifestyle or orientation, the answer would vary.

However, when you study the word *bones* using the rich, incomparable teachings of יְהוָה בָּן יְהוָה, deeper connotations and truths are revealed. For instance, the word **bone(s)** is from the Hebrew word 'etsem according to the *Thayer's Greek-English Lexicon to the New Testament*, copyright 1977, reference number 3747, on page 457.

**'Etsem**, in *The New Strong's Complete Dictionary of Bible Words*, copyright 1996, on page 480, reference number 6106, means "figuratively the substance," that is to say, "selfsame: - body, life, strength." **Life** is synonymous with "flesh and blood" on page 662 of *The Synonym Finder* by J.I. Rodale, copyright 1978, and on page 121, **blood** is the same as "kinship."

Therefore, the innate spiritual quality of the word bone(s) is not representative of death, but

life; that is to say the selfsame connection in body, strength, and flesh; which denotes not just some mundane existence, but an actual kinship with יְהוָה, the Creator of all things.

Abraham said, My son, יְהוָה, will provide Himself a lamb for a burnt offering:... Genesis 22:7-13

Golgatha  
Matthew 27:33

יְהוָה בָּן יְהוָה clearly establishes His kinship and right to possession of America's black people in the transcript set *יְהוָה Pass-over from Genesis Through Revelation: The Divine Token Blood of The Lamb*. On page 24, He states, "My people, the so-called Black man, who are My selfsame body . . . My selfsame bones . . . My selfsame blood . . . and My selfsame life."

These statements confirm that יְהוָה בָּן יְהוָה is born from among the so-called Blacks

of America, descendants of slaves, Judah, the seed of Abraham—Hebrew Israelites (Jeremiah 13:19, 14:2; Hebrews 7:14; Genesis 15:13). But being the Lamb of יהוה distinguishes Him from the rest of His brethren (Hebrews 2:7-11).

Moreover, all that יהוה בֶן־יהוָה has encountered, experienced, and endured uniquely parallels what was foretold of the Lamb in the Holy Bible. For example, Abraham the Hebrew said unto his son Isaac that one day יהוה will provide Himself a *Lamb* (Genesis 14:13; 22:8). The prophet Isaiah later added, the *Lamb of יהוה* would be oppressed, afflicted, and imprisoned (Isaiah 53:7-8); and others declared, the *Blood of the Lamb* would be sacrificed for the sins of the world (1 Corinthians 5:7; John 1:29).

Yet, יהוה decreed not a **bone** of His Lamb was to be broken as noted in John, Chapter 19, verse 36 and it reads:

*"For these things were done, that the Scripture should be fulfilled, A bone of יהוה בֶן־יהוָה shall not be broken."*

Returning to the earlier definition of **bone(s)** being “figuratively the substance,” **figurative**, on page 408, of *The Synonym Finder* by J.I. Rodale, copyright 1978, is the same as **allegorical**, which when defined in *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 71, is “having hidden spiritual meaning that transcends the literal sense of a sacred text.”

Hence, the bone of (or belonging to) יהוה בֶן־יהוָה from the preceding Scripture, is the substance having a hidden spiritual meaning that transcends the literal sense of that text. The spiritual meaning also transcends what we have already discussed: that the Lord, יהוה בֶן־יהוָה, sprang from the tribe of Judah—the seed of Abraham—and that as the Lamb of יהוה, He became obedient unto death, even the death of the cross (Hebrews 7:14; Philippians 2:8).

The spiritual meaning is that His bones symbolize the whole house of Israel—all twelve tribes—that are required to and shall become an identical

copy of His selfsame body, life, and strength (Ezekiel 37:11; Genesis 1:26).

Now this may seem like an impossibility; especially, since the family of יהוה was not only exiled from the *Garden of Eden* by יהוה Himself, but for many generations could no longer eat from the *Tree of Life* (Genesis 3:23-24). And as a result, became so very dry spiritually and mentally that they forgot יהוה, the God that formed them (Ezekiel 37:2; Deuteronomy 32:18).

Nevertheless, Israel is still the firstborn Son of יהוה (Exodus 4:22), and as the firstborn shall inherit the many promises that יהוה made to Abraham, beginning with יהוה sending His Only Begotten Son, בֶן־יהוָה, into the world to be the propitiation for our sins that we might live through Him (Genesis 15:14-21; Exodus 6:6-8; 1 John 4:9-10).

So, recognizing this reality, what then is the **substance** of the whole house of Israel, belonging to יהוה בֶן־יהוָה, not being broken? We will divulge the shocking Scriptural answer to this poignant puzzle in **BONES: NOT TO BE BROKEN**, part two. So don’t miss it!

## Has Slavery Truly Ended? Part Four

In part three, we discussed that Judah (the so-called Black man of America), was brought here in 1555 as slaves, and that they were given a false freedom with the enactment of the 13th Amendment in 1865. But through a craftily incorporated loophole within that same amendment, blacks more than any other group are labeled as criminals, and shut up in prisons against their will; thus making them modern-day slaves. We learned further that today's disproportionate incarceration of Judah is the result of the U.S. government's secret, successful plan to inundate black communities with drugs, and then war against anyone possessing or distributing those drugs.

In this article, we will learn what it was (and is) like to be a slave in America, and why slavery was and continues to be so important to the United States. It is common knowl-

edge that the treatment and condition of the average American slave—forefathers of the so-called Black man—was harsh: purchased as “property” for life; working in the fields sunup to sundown; living on plantations in dirt floor shacks; food sometimes unsuitable for animals to eat etc. (<http://www.ushistory.org/us/27b.asp>, Slave Life and Slave Codes, U.S. History Online Textbook, copyright 2016, retrieved November 26, 2016).

And when any attempted to escape from such horrific circumstances, that slave was hunted down like game. In fact, few are aware that the current distrust and tension between blacks and police is connected in part to the fact that today's police departments are merely reconfigured slave-catching patrols ([countercurrentnews.com](http://countercurrentnews.com), April 15, 2015).

In the past, those patrols were part of the design to consistently maintain large numbers of bondsmen, just as the police and the courts are part of keeping our prisons full today. Slaves were (and still are) integral to the United States as a source of free (and almost free) labor for manufacturing, farming, building, and construction.

## ARE YOU SURE THAT'S FOOD YOU'RE EATING? PART 2

In this part of *Are You Sure That's Food You're Eating* we have a number of important questions to address, but first, let us give a brief recap of part one. יהוה בָּנְיָה reminded us that ". . . a person who has the spirit of discrimination knows that there's a law between good food to eat and food that's not good to eat; clean food and that which is unclean." Therefore, after studying the words discrimination, good, and food, here's what we discovered.

God, יהוה, created food (Genesis 1:11-12) already containing the essential minerals, vitamins, phytonutrients, protein, and fiber needed to sustain life; which He labeled as "good"—free from imperfections and alterations that significantly impair its proper use by humans, meaning completely absorbable by the body. The adage "you are what you eat," can properly be rephrased "you are what you absorb."

Now to the questions we have to answer: Is food still free from imperfections? Has something happened to food from the time יהוה first created it? Is the food you are eating and drinking today truly absorbable by your gastrointestinal tract, and is there a connection between absorption and disease?

Let's begin by responding to the second question first: Has something happened to food from the time יהוה first created it? The answer, simply stated, is yes. "In fact, almost none of our food that we eat today is the product of Nature's way" according to the article *The Case for GMOs and Sustain-*

*ability* published on the Web by the Genetic Literacy Project on June 1, 2015.

Beyond the natural trial and error practices of conventional and organic farmers, the article informs us that since the 1920s a process known as mutagenesis, radiation breeding has created over ten thousand untracked and unlabeled gene mutations, and today ". . . 3,200 ornamental plants and common grains, fruits and vegetables created through mutagenesis are eligible to be sold as organic."

This is why יהוה בָּנְיָה instructs us to discriminate between clean and the unclean foods. **Clean**, as defined in *Webster's Ninth New Collegiate Dictionary*, copyright 1986, on page 246, means "free from contamination." In the same source, on page 283, the root word **contaminate**, means "to make unfit for use by the introduction of undesirable elements." While the word **element** in the *Bartlett's Roget's Thesaurus*, copyright 1996, on page 670, (reference number 760.3) means "ingredient and spray."

From these definitions we see that the foods today are not just mutations passed off as organic, but may have also been made unfit for human consumption by the introduction of an undesirable ingredient or spray. Research shows that in 1974 the company Monsanto patented just such an undesirable ingredient called "glyphosate," contained in its popular weed killer Roundup, according to [www.glyphosate.eu](http://www.glyphosate.eu).

Glyphosate is an herbicide that is sprayed to kill both weeds and grasses that compete

with crop growth. Farmers spray glyphosate on crops such as wheat, oats, edible beans, lentils, peas, corn, flax, millet, canola, rye, and potatoes. The harmful toxin in the spray gets into the soil and the roots of the crop absorb it, thus causing many health challenges. Glyphosate disrupts our endocrine system thereby causing hormone imbalances. It damages our DNA in human embryonic, placental, and umbilical cord cells. It causes common birth defects such as congenital heart disease, down syndrome, sickle cell, cerebral palsy, cleft lip and or palate just to name a few. It also kills beneficial gut bacteria which in turn weakens the immune system as reported in a March 5, 2016, article "Why Is Glyphosate Sprayed on Crops Right Before Harvest?" found on [www.ecowatch.com](http://www.ecowatch.com).

Even though we are subjected to unnatural foods labeled organic, and are eating foods sprayed with the undesirable ingredient glyphosate, our caring Father, יהוה בָּן יְהוָה, still wants us all to prosper in good health (3 John 2). He is come to teach us to avoid consuming foods that do not sustain life. However, being healthy is a choice, and we must learn to choose foods that are free from the harmful ingredient glyphosate.

יהוה בָּן יְהוָה is teaching, and elect not to adhere to the laws of יהוה regarding the correct foods to consume, and "knowingly" continue to eat food that is mutated or is sprayed with or contains an undesirable ingredient like glyphosate, then you are inviting destructive and harmful substances into your

body, and shall experience various sicknesses; even your own premature death. The choice is yours. Deuteronomy 30:15, reads, "*See, I have set before thee this day life and good, and death and evil;*"

Be on the watch for part three of this series, because we will present you with more solid facts and irrefutable evidence to assist you in making the proper choice so you will be assured that that's food you are eating.

## HEALTH PROBLEMS

Ecowatch.com

**Alzheimer's disease:** In the lab, Roundup causes the same type of oxidative stress and neural cell death observed in Alzheimer's disease.

**Cancer:** House-to-house surveys of 65,000 people in farming communities in Argentina where Roundup is used, known there as the fumigated towns, found cancer rates two to four times higher than the national average, with increases in breast, prostate, and lung cancers.

**Inflammatory Bowl Disease ("Leaky Gut Syndrome"):** Glyphosate can induce severe tryptophan deficiency, which can lead to an extreme inflammatory bowel disease that severely impairs the ability to absorb nutrients through the gut, due to inflammation, bleeding, and diarrhea.

**Pregnancy problems (infertility, miscarriages, still-births):** Glyphosate is toxic to human placental cells, which, scientists say, explains the pregnancy problems of agricultural workers exposed to the herbicide.

**Obesity:** An experiment involving the transfer of a strain of endotoxin-producing bacteria from the gut of an obese human to the guts of mice caused the mice to become obese. Since glyphosate induces a shift in gut bacteria towards endotoxin-producers, glyphosate exposure may contribute to obesity in this way.

**Reproductive problems:** Studies of laboratory animals have found that male rats exposed to high levels of glyphosate, either during prenatal or pubertal development, suffer from reproductive problems, including delayed puberty, decreased sperm production, and decreased testosterone production.

# It's All About The Name

From generation to generation  
They defiled His Name  
A great beast rose out the sea  
and blasphemed His Name  
Another nation of people came  
and they hid His Name  
and even taught us that we  
should not speak His Name.

But, thus said the LORD, יְהוָה,  
Praise My Name  
Glorify My Name  
Extol My Name  
This is My memorial and it is My fame  
To all generations forever  
יְהוָה is My Name.

I AM The Supreme Being  
That I AM, I became  
Self-Existing Universal Power  
This is in My Name  
יְהוָה  
The righteous running to Me  
Praising My Name  
I AM your Strong Tower  
This is in My Name  
No longer will I sit by  
and let you desecrate My Name  
I will come to the Earth Myself  
and proclaim My Name.

Moses spoke to Pharaoh  
and he used My Name  
and all the miracles in Egypt  
they were done in My Name  
יְהוָה I AM

and יְהוָה I came  
and My Firstborn Son, יְהוָה  
He even carries My Name.  
Be ye not deceived

God and Lord are not names  
appellations were substitutes  
to replace My Name.

Be ye therefore baptized  
in this Holy and Righteous Name  
submerge yourself into the waters  
of understanding this Name  
the pronunciation wasn't lost  
as men will try to claim  
I AM yesterday and today the same  
therefore call upon My Name.

What a stiff-necked and backsliding people  
to believe these lames  
born from the womb  
they suppress MY Name.

Shout unto יְהוָה!  
Let your voice triumph in My Name  
let everything that has breath  
Praise Me in My Name.

Can't you hear and don't you see  
the disconnection surrounding  
their talk  
when they speak about Me.

It was in My laws  
and in every Psalm they sang  
until the beast came along  
and changed your thoughts about Me  
convinced you yesterday  
that today things are not the same  
and translated the Books  
just to exclude My Name.

I Am יְהוָה and forever will be  
יְהוָה  
And there is no other beside Me.

That I AM  
As manifested by My Son  
Who came in My Name  
הָיָה בֶן יְהוָה  
Declaring I AM הָיָה the One.

This is WHO I AM  
Both Father and Son  
And together by My Name  
הָיָה בֶן יְהוָה  
There is no separating The One.

Yet you knew Me not  
At the time when I came  
Manifesting  
הָיָה בֶן יְהוָה  
dwelling among you by this Name  
I offer you salvation  
And your sins I would not blame  
And an everlasting life with  
הָיָה בֶן יְהוָה  
This is only in My Name.

Like a thief in the night  
in the darkness of your brain  
your mind could not perceive  
הָיָה  
The Glory of My Name.

Wake up you dead world  
learn the fear of this plane  
הָיָה has always been  
and this is My Name!  
הָיָה בֶן יְהוָה.

**"If you learn how to call My name the right way, in the right order, and use the right process, I am 'compelled' to answer. That is what I said I would do, and I am known to keep My word. BUT I RESERVE THAT KNOWLEDGE FOR THOSE WHO 'QUALIFY' THEMSELVES."**

## יהוָה THE FEAST OF

Why should we keep our High Holy Days? Because הָיָה mandated that we do so. הָיָה showed us His mercy by sending us His Beloved Son, הָיָה בֶן יְהוָה, to save us from several thousand years of mental and physical oppression and servitude at the hands of our oppressors. Our celebrating the laws of הָיָה serves as a sign to the rest of the spiritually conscious world that Himself came in the flesh as the Son, הָיָה בֶן יְהוָה, to the lost sheep of the House of Israel to give us life in His Holy Word. So show your love Israel by keeping His commandments (John 14:15). FOR MORE INFORMATION, VISIT OUR WEBSITE AND CLICK "THE FEAST OF הָיָה" BUTTON.
