Our Twenty-Fifth Annual **Feast of Weeks** was a time of “great” celebration, for while at the palatial Hutchinson Island Marriott Beach Resort and Marina in Stuart, Florida, we gathered in one of our most prosperous and bountiful harvests ever from the “divine” Mind of **יהוָה בָּנֵי הָעוֹלָם**, the Holy One of Israel.

From the very first night through the very last night, all we gathered in was knowledge of “divine” things, which we harvested from our nightly classes, our family studies, and our daily seminars. Our total yield can best be described as a “spiritual” ecstasy.

The Spirit of the message in our nightly classes, which was recorded by **יהוָה בָּנֵי הָעוֹלָם** even before His incarceration, sent forth

an array of light--transmitted through His electromagnetic wavelength--that traveled telepathically to the deepest part of our minds. This array of light sent forth a dispersion of radiant energy that gave us a clear understanding of the many shades of colors that comprise the wisdom of “logic.” In His message, He set forth conspicuously that He is the “**Logical**” God; and that one has to be blessed or chosen to receive **logic**. The word “logic” was deduced to its minutest degree. And during our nightly family studies, this very same wisdom was carried forward throughout our entire feast.

Throne Was Set In Heaven”; “The Decryption of Shadrach, Meshach, and Abednego”; “Another Beast Coming Up Out of the Earth”; “The Chronicles of the ‘Two Witnesses’ ”; “Thy Kingdom Come”; and “The Seven Last Plagues”—all added substantially to this prismatic color of light.

While what we experienced at our feast cannot be felt by way of another’s expression, you can hear or read about this bountiful harvest of knowledge by sending right away for the entire set of nightly classes and seminars, which comes in transcript (nightly classes only), cassette, or CD form.

We gathered in an overabundance of knowledge from our daily seminars at Feast of Weeks, so much so that we can share some with you.

The seminars got off to a bountiful start right from the beginning in **‘יְהוָה בָּנָי יְהוָה Coming In the Clouds of Heaven With “Power” and “Great” Glory**, Part 6. This presenter came out with “two” smoking guns and wasted no time presenting incontestable evidence that showed far beyond a reasonable doubt that the so-called Black people of America, descendants of slaves, are in fact **Yehuw dah** (Judah), the fourth tribe of the twelve tribes of Israel. And, too, that יְהוָה chose us to be the “lawgiver” and “chief ruler” in the Kingdom of Heaven--the Kingdom of יְהוָה, under the sovereign governance of His Son, **יְהוָה בָּנָי יְהוָה**. In part 7, the reality

that יְהוָה shall restore again His Kingdom to Yehuw dah and Israel and return us to the **Promised Land** was so electrifying that the audience interrupted with many ringing applauses, loud cheers, and shouts of praise because they could sense the inevitability of this great event.

We continued to our adjacent field of knowledge, which was in the seminar entitled, **Behold, A Throne Was Set In Heaven**, Part 3. Revelation 4:5 was decoded, and all of the splendor and glory of the throne of יְהוָה was extracted. This gifted prognosticator painted a vivid picture of the activity that shall take place inside the throne of יְהוָה. It was brought out that only those nations who want to learn of the Luminary--**יְהוָה בָּנָי יְהוָה**, and want to be taught of His ways and to walk in His paths will be permitted on the *inside* of the throne of יְהוָה. And, too, the twenty-four elders, the four beasts, and the angels shall all give divine praises unto יְהוָה and to the Lamb, **בָּנָי יְהוָה בָּנָי יְהוָה**, day and night. Furthermore, the profundity of their repeated prayers shall be so powerful that they will bounce off the walls. We also learned that the “spiritual” illumination of **יְהוָה בָּנָי יְהוָה** shall be so great for those who enter that nothing shall be restrained from them which they shall imagine to do.

Our next yield came from the seminar **The Decryption of Shadrach, Meshach, and Abednego**, Part 1. The introduction to this series revealed what happened to our treasured vessels when we were captured by the United States government in our homeland and shackled and brought here to America to work as slaves. The facts were presented to show that

all of our sacred books or manuscripts that were stolen from the house of יְהוָה are stored up in secluded obscure libraries (especially the Library of Congress) in the hells of North America with restricted and limited access to only a select circle of specially initiated individuals who are called custodians, gatekeepers, and watchmen.

Now it was time for a new picking, and picking we did in the seminar, *Another Beast Coming Up Out of the Earth*, Part 5. In decoding Revelation 13:14, a showdown of the facts was put to the test. The facts showed that Dr. Condoleezza Rice, U.S. Secretary of State, shall, with great effect, attain President Bush's goal to bring in the **One World Order**. To do so, she shall state firmly in speech and writing that all nations are duty bound and obligated to make an "image to the beast." The facts verified that this image is the **New Democratic Order**. This whistle blower blew the cover off of how Dr. Rice plans to get the world's most powerful leaders to accept this **New Democratic Order**. Evidence that was so complete and convincing as to put a conclusion beyond reasonable doubt showed that she shall craft this new Order in such a way that it will be widely admired and constantly sought after by all the most powerful nations of the earth. In fact, it will be completely independent, so much so that the lone superpower of the world

will keep all nations in total control and, ultimately, give President George W. Bush unlimited power to exercise supreme authority over all the nations of the earth.

Moving right along to our next crop of knowledge led us straight to the seminar entitled *The Chronicles of the "Two Witnesses,"* Part 2, as found in Revelation 11:3-5. The information revealed in this seminar was so hot that any single person who might have "thought" in his mind for even a moment to worry, put the heat on, taunt, burden, persecute, or use unjust force or authority against the two witnesses of יְהוָה to seriously reconsider. It was made known in the most emphatic terms that "every" single individual who messes with these two witnesses shall experience extreme mental suffering and unprecedented tribulation that shall try their endurance to the maximum. Moreover, their wicked actions shall be brought into public view "without" any reserve; and, even more, the same mental suffering they intended for the two witnesses shall return to them.

Thy Kingdom Come, Part 3, was our next field (Daniel 9:27) of knowledge from which to glean. It was divulged that יְהוָה shall show forth His mighty power to bring together a large number of affluent and wealthy people of all sizes, ages, ranks, and qualities who will take an oath to act as a single entity with the express aim or purpose of giving assistance to יְהוָה בֶן יְהוָה in keeping His agreement with Israel. These are the people who will fight in a court of law along with יְהוָה בֶן יְהוָה against His adversaries--the wicked in the American government, as well as all who stand

with America in seeking to destroy בֶן־יְהוָה and the Nation of יְהוָה. It was made very clear to all that יְהוָה shall lay waste--which includes but is not limited to loss of health, means, position, and hope--all His adversaries.

And finally, the last crop of knowledge was gathered in from the seminar, ***The Seven Last Plagues***, Part 3. Revelation 16:1 was decrypted to expose the ferociousness of the wrath of יְהוָה that is bound up in the seven last deadly plagues that shall come upon the whole earth. Lying dormant in this Scripture were some astounding information and the shocking

details about the whole story regarding the particular targets these seven last plagues shall hit. In the most poignant manner, it was hammered home that the unstoppable wrath of יְהוָה shall be poured out upon every country or piece of land in the whole world, and absolutely nothing and no one shall be left untouched. We were made acutely aware that the only way for anyone to escape this horrifying and terrible time is to recognize, accept, and truly follow the Messiah, יְהוָה בֶן־יְהוָה.

The Ten Plagues of Egypt, Part 4

We are continuing our series on "***The Ten Plagues of Egypt***." In part three, we gave factual documentation to substantiate that the second plague--*frogs*--is emblematic of land that is covered, thoroughly soaked, or saturated with water. An analysis of these facts unveiled in great detail that to "smite the bor-

ders with frogs" (Exodus 8:2) means that יְהוָה shall pound America, as He did ancient Egypt, with unprecedented violent rain storms and vicious hurricanes. In conjunction, He shall also send forth a tsunami that will attack her with disastrous effects, such that giant killer sea waves in the ocean, produced by unrecorded

undersea volcanic eruptions, shall rise and overflow. These disasters shall cause "ALL" the large lakes and rivers in America to overflow, thoroughly soak, and totally submerge most of the normally dry land of all the states and regions located near the coastal ways. And in accordance with Exodus, Chapter 3,

verse 4:

"And the frogs shall come up both on thee, and upon thy people, and upon all thy servants."

All of these disastrous effects shall befall *thee*--Mr. President; *thy people*, the American people; and *thy servants*, the laborers, employees, and hired people in America--if you continue to react negatively to the decree of יְהוָה to let His Son, יְהוָה בָן יְהוָה, the Messiah, go.

In this article, we shall continue our course by showing that the same events that יְהוָה brought upon ancient Egypt after the second plague shall be the same events He shall bring upon America today. The book of Exodus, Chapter 8, verse 8 expounds upon these events, and it reads:

"Then Pharaoh called for Moses and Aaron, and said, Entreat the Lord, נָאכֵן, that He may take away the frogs from me, and from my people; and I will let the people go, that they may do sacrifice unto the Lord, נָאכֵן."

The Random House Webster's Unabridged Dictionary, Computer Software, copyright 1999, describes the word **then** as "soon afterward." On this wise, soon after יְהוָה shall bring forth His natural disasters, such as violent rainstorms, vicious hurricanes, and giant tidal waves to submerge the normally dry land, then modern-day Pharaoh--the President of the United States of America--shall do some-

thing unthinkable. The aftermath of the second plague upon America shall be so calamitous that hundreds of thousands of people will be left without homes; businesses and mega corporations will be washed away; millions of loved ones will be lost, to name a few. After these tragedies, President George W. Bush shall feel that he has but one alternative to relieve the

judgment of יְהוָה upon America. Out of sheer desperation--in the same manner as over four thousand years ago with Moses and Aaron--he, President George W. Bush, shall **call** for the servants of יְהוָה to **entreat** the Lord, יְהוָה, that He may take away the floodwaters from him and from the American people. And in exchange, the President of the United States shall agree to release יְהוָה בָן יְהוָה that He may do sacrifice unto the Lord, יְהוָה.

To **call** is "to convoke judicially," according to the Webster's New World Dictionary & Thesaurus, Computer Software, copyright 1998; while **convocate**, in the same reference source, means "to order to come or appear." In conformity with the Random House Webster's Unabridged Dictionary, Computer Software, copyright 1999, *judicially* comes from the base word **judicial**, which means "pertaining to courts of laws." Thus, the President of the United States of America shall order the servants of יְהוָה to come or appear in a court of law. And at this time, he shall

say something analogous to what ancient Pharaoh said: “**Entreat** the Lord, יְהוָה, that He may take away the floodwaters from me, and from my people, and I will let בֶן יְהוָה, your Messiah go, that He may do sacrifice unto the Lord, יְהוָה.”

Entreat, as referenced in the aforementioned *Random House Webster's Unabridged Dictionary* means “to appeal”; and **appeal** is denoted as “to ask for mercy or sympathy.” In plain words, President George W. Bush shall order the servants of יְהוָה to come or appear in a court of law so that he may ask them to petition the Lord, יְהוָה, for mercy and sympathy on him and his people that He may take away the floodwaters. And in return, President George W. Bush shall consent to release יְהוָה בֶן יְהוָה from the onerous restrictions that the

U.S. Parole Commission has imposed upon Him, that He may do sacrifice unto the Lord, יְהוָה. Exodus, Chapter 8, verses 12 through 13, continues with:

“And Moses and Aaron went out from Pharaoh: and Moses cried unto the Lord, וַיֹּאמֶר, because of the frogs which He had brought against Pharaoh. And the Lord, וַיֹּאמֶר, did according to the word of Moses; and the frogs died out of the houses, out of the villages, and out of the fields.”

This Scripture proves far beyond a reasonable doubt that יְהוָה shall hear the cries of His servants, and shall compromise with modern-day Pharaoh--the President of the United States of America--to be merciful and sympathetic so as to cause the floodwaters to **die** out of the houses, out of the villages, and out of the fields of America. And all He --וַיֹּאמֶר--wants in return is for President George W. Bush to agree to his own terms to release His Son, בֶן יְהוָה, from the custody of the United States government, and from under the unconstitutional onerous restrictions that have been imposed upon Him

that He may do sacrifice unto the Lord, וַיֹּאמֶר.

“... and the frogs died out of the houses, out of the villages, and out of the fields.” (Exodus 8:13)

In the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1999, **die** means “to lose force or strength; to pass gradually.” יְהוָה shall pardon and let up off of America by causing the rainstorms and hurricanes to lose force and strength. Furthermore, He shall cause the waters to pass gradually out of the houses, villages, and fields of America. Additionally, Exodus, Chapter 8, verse 14 states:

“And they gathered them together upon heaps:...”

The waters shall be gathered together upon heaps. What exactly does this mean? On the authority of *The Cassell Concise Dictionary*, copyright 1998, on page 607, **gather** means “to draw together.” According to the *Random House Webster's Unabridged Dictionary*, Computer Software, copyright 1999, the word **draw** means “to drain.”

The Microsoft Encarta Reference Library, Computer Software, copyright 1993-2003, defines **drain** as “to dry out land; to discharge water from its surface into a river or lake.” And lastly, a **heap**, the singular of the plural *heaps*, is “a large amount.”

Thus, under the terms of President Bush’s consent to release יְהוָה בָנֵי יְהוָה from captivity, יְהוָה ‘ shall gather the waters together in large amounts and discharge the waters from the surface of the land back into the large lakes and rivers. In other words, He shall be merciful enough to dry out the land. However, Exodus, Chapter 8, verse 14 states further:

“...and the land stank.”

In the American Heritage Talking Dictionary, Computer Software, copyright 1997, **stank** is the past tense of *stink*. **Stink** means “to emit a strong foul odor.” **Foul**, in the same reference source, means “offensive to the sense; rotten or putrid.” Coherently, as a result of all the water, the land shall emit a smell that is offensive to the senses. Even more, it shall smell rotten and putrid

due to waterlogged soil and properties, death of plant life and wild animals, and drowned corpses from the floodwaters.

And although יְהוָה ‘ shall take away the water from President George W. Bush and the American people, under his consent to let the Son of יְהוָה go, Exodus, Chapter 8, verse 15 declares:

“But when Pharaoh saw that there was respite, he hardened his heart, and hearkened not unto them; as the Lord, נָאֹת, had said.”

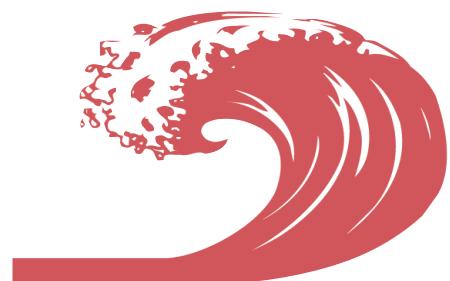

According to the Webster’s Universal College Dictionary, copyright 1997, on page 672, **respite** is defined as “an interval of relief.” When modern-day Pharaoh--the President of the United States--shall see that there is an interval of relief from the judgment of יְהוָה ‘, he shall outright decline to keep his word to release יְהוָה בָנֵי יְהוָה that He may do sacrifice unto יְהוָה ‘. **President George W. Bush shall be given a fair opportunity to do what is “right,” but instead he shall remain defiant and contumacious in heart, and shall**

refuse to let נָאֹת בֶן יְהוָה go free that He may serve נָאֹת, and keep the feasts unto נָאֹת in the place that He shall choose to place His name.

Since modern-day Pharaoh--President George W. Bush--shall not commit himself to the release of יְהוָה בָנֵי יְהוָה, the firstborn Son of יְהוָה, from the onerous restrictions that the American government has imposed upon Him, then יְהוָה ‘ shall pound upon America with yet another devastating plague. This third plague can be found in Exodus, Chapter 8, verse 16:

“And the Lord, נָאֹת, said unto Moses, Say unto Aaron, Stretch out thy rod, and smite the dust of the land, that it may become lice throughout all the land of Egypt.”

And this is where we shall continue with part five of our next segment on **“The Ten Plagues of Egypt.”**

The Abraham Foundation

Do not be led to believe that our legal battle is over. It will **not** be over until יהוה בָּנָה יְהוָה is completely exonerated and set totally free from not only the "onerous" restrictions that are currently imposed upon Him by the American government, but also from any other future clandestine moves they might be planning against Him. As Israel, we are quite accustomed to battles. Remember, when we were obedient to יהוה בָּנָה יְהוָה, our God, He always prepared us to be on guard against our enemies and, as a result, we were always victorious (Ezekiel 38:1-23). Wisdom is a defense and money is a defense (Ecclesiastes 7:12). Therefore, your continuing financial support is a great help toward strengthening our guard. On behalf of יהוה בָּנָה יְהוָה, we thank you.
