Passover And The “True” Rapture

While the world is waiting for what is “called” the rapture, the “true” rapture took place at our Twenty-Fifth Annual Passover/Feast of Unleavened Bread commemoration at the Hutchinson Island Marriott Beach Resort and Marina in Stuart, Florida. The word **rapture** (according to *Random House Word Menu*, copyright 1992, on page 851) is defined as “spiritual ecstasy and exaltation due to ‘knowledge’ of ‘divine’ things.” **Spiritual** means “relating to the mind or intellect”; while **ecstasy** is characterized as “intensification of emotion so powerful as to produce a trancelike dissociation from all but the single overpowering feeling”; and **exaltation** is “to raise to a higher spiritual level; to ele-

vate.”

These definitions perfectly describe what we experienced at our feast. The intensification of our emotions from the “**knowledge**” of “**divine**” things was so powerful as to produce a trancelike dissociation from all but the *single* overpowering feeling we felt from the wisdom, knowledge, and understanding that came forth from our nightly classes and daily seminars. From this “**knowledge**” of “**divine**” things, our minds were elevated to a higher *intellectual* and *spiritual* level.

“**Remember**” was the word of the day: *Remember our God, יהוה*. *Remember His Son, בָנֵי יהוה*. *Remember* we are the descendants of the Hebrews who

were in slavery in Egypt. Remember that it was on this selfsame day that יְהוָה בָּנֶן יְהוָה delivered our forefathers out of the land of Egypt with a mighty hand. Remember that this is only a sign that He shall deliver us out of America today and return us to our **Promised Land**. With these things in mind, we prepared ourselves for the “way” of the Lord, יְהוָה בָּנֶן יְהוָה, who liveth in truth, in judgment, and in righteousness. Passover Feast of Unleavened Bread 6008 will be remembered for a long time in Israel.

Daily Seminars

Allow yourself to be “taken up” in the knowledge of “divine” things in this brief summation of our daily seminars.

Our first seminar, **The Good Shepherd**, set the tone for our entire feast. It was taught by the **Good Shepherd**, יְהוָה בָּנֶן יְהוָה, Himself, via a 1985 video tape recorded in Kansas City. In His message, He explained some of the mysteries of the Masonic Order particularly with respect to their command to keep secret the history of the so-called Black people of America, descendants of slaves. He made it known to us that we are in fact the ones buried inside the tomb, and He is that Angel that has come to America to roll the stone away and let the light shine in our minds that we might be resurrected from our graves. The highlight of His message was the fact that He has come to bring about the **changing of the guard**, which brought everyone to their feet with a long standing ovation.

We were blown away by the revelation divulged in **Another Beast Coming Up Out of**

the Earth, Part 4. This whistle blower blew the whistle on the secrets hidden in Revelation 13:11-12. She blew the whistle on the fact that President Bush, the *first beast* has selected *another beast*, Dr. Condoleezza Rice, as Secretary of State to fulfill his charge to set up the One World Government. It was revealed that to do this, she shall do reprehensible acts to deliberately excite violent and bitter conflicts among the nations that will be so severe, grievous, distressing, harrowing, and afflictive that they will ultimately lead to the most powerful world leaders announcing or delivering their support of the One World Government to President George W. Bush.

In the seminar **Coming in the Clouds of Heaven with “Power” and “Great” Glory, Part 5**, the *immaculate conception* of the **Theocratic Government** of יְהוָה was where all points of interest converged. Isaiah 9:6 was decoded, and the systematic way in which יְהוָה בָּנֶן יְהוָה shall give birth to, set up, and build the “divine” Kingdom of יְהוָה on earth--where the constitution shall be based on the commandments, judgments, laws, and statutes of יְהוָה--was made evident in this seminar.

The Seven Last Plagues, Part 2 took us to an even higher consciousness of the great tribulation that is fast approaching. Evidence that was so complete and convincing as to put conclusion beyond reasonable doubt was presented to show that the “seven last plagues” shall come after all of the other plagues in time and order in the Bible. They will be the “final” declaration and expression of the wrath of יְהוָה that the United States in particular and world in

general shall experience. It was brought out that they shall also be the highest in extent or degree and like no other plagues, disasters, or catastrophes ever known to man.

A compendium of **Go To the Ant** was eloquently presented, and strong warning was given to come out of America and to go to "**the**" Ant, יהוה בָּנֵי יהוה', before the unprecedented perils that are sure to come in the prophetic season of winter. It was made clear that during this time, a separation of the wheat and the tares shall take place in Israel first. The global conspiracy and the secret plans of the government and the Judas family during the tribulation of winter were put on the chopping block and chopped to pieces, such that it was clear to see that the prophetic rise of יהוה בָּנֵי יהוה' shall be in turbulent times.

In **Thy Kingdom Come, Part 2**, it was pointed out that very soon יהוה בָּנֵי יהוה' will be set free from under the government's onerous restrictions and from judgment. We learned that after this happens, He shall issue a decree for us to follow the "divine" plan of יהוה' and start the construction of the **Holy City**, our ideal earthly community. The architectural layout of the Holy City was made apparent. It was foretold that while all of this is going on, the world around us will be suffering from political corruption, economic hardship, severe educational distress, unprecedented social depravity, and little or no spiritual awareness.

We were then taken up to a higher level in **The "Redeemed" of Israel, Part 1**. The discussion in this seminar centered on the four angels of יהוה' standing on the four corners of the earth

holding the four winds of the earth in Revelation 7:1. This presenter chiseled away at the fact that these four beings have access to the four most powerful forces of nature, which shall bring irrecoverable, irreparable, and hopeless occurrences upon the earth. However, it was made clear that none of these forces can be released until the servants, the redeemed of יהוה', have been sealed in their foreheads.

The message in **Behold, A Throne Was Set In Heaven, Part 2** held everyone's undivided attention, as the **four and twenty seats** and the **four and twenty elders** that יהוה בָּנֵי יהוה' shall choose to sit with Him on the throne to perform administrative functions on His behalf in the Kingdom of Heaven--New Jerusalem--was presented with tact and diplomacy. The power and authority given them and the qualifications required were the channels through which all forces consorted in this presentation.

In this seminar, **The Chronicles of the "Two Witnesses,"** the particulars delineating the dynamics of measuring the temple and not the court in Revelation 11:1-2 were laid down as the basis for describing the specific actions of the two unknown witnesses or the two olive trees whom יהוה' shall give the power to shut heaven that it rain not in the days of their prophecy, and the power over waters to turn them to blood, and to smite the earth with all plagues as often as they wish.

If you want to be lifted up in the "knowledge" of "divine" things, then order all of these powerful messages, which come in either cassette or CD form.

The Ten Plagues

As in the days of ancient Egypt, after יְהוָה sent Moses and Aaron unto Pharaoh with the first plague of economic disaster, Pharaoh remained hardened in heart and still would not release the children of Israel unto their God, יְהוָה, that they might serve Him, according to Exodus, Chapter 7, verse 23, which reads:

“And Pharaoh turned and went into his house, neither did he set his heart to this also.”

In conferring with *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 1265, **turn**, the present tense of *turned*, means to “turn away or turn aside.” Thus, in keeping with this Scripture, Pharaoh turned away or turned aside from יְהוָה, and did not set his heart to release the children of Israel from captivi-

ty. Today, history is repeating itself, as another great nation, America, is being plagued in the same manner and by the same God--יהוָה--as ancient-Egypt. As long as modern-day Pharaoh--President George W. Bush--continues to keep the firstborn Son of יְהוָה--Messiah--on parole and under the most strenuous, onerous conditions ever placed upon a *so-called* American citizen, these plagues shall intensify until she be completely destroyed in the very same manner as ancient-Egypt.

As a consequence of the Pharaoh of Egypt's blatant stubbornness in turning away and turning aside from the command of יְהוָה, יְהוָה sent Moses unto Pharaoh again with a message, according to Exodus, Chapter 8, verses 1 and 2, which reads:

“And the Lord, יְהוָה, spake unto Moses, Go unto Pharaoh, and say unto him, Thus saith the Lord, יְהוָה, Let My people go, that they may serve Me. And if thou refuse to let them go, behold, I will smite ‘all’ thy borders with frogs”:

The command is yet the same today: President George W. Bush, Thus saith the Lord, יְהוָה, If you continue to refuse to let My Son, יְהוָה בָנֶךָ, go, behold, I will smite “all” of **America’s borders with frogs**. To smite “all” of **America’s borders with frogs** is emblematic. So to leave no grounds for speculation, let us be more specific. Specificity requires that we consult the authorities to deduce this emphatic declaration to a more digestible state. Therefore, on the authority of the *Random House Webster’s Unabridged Dictionary*, Computer Software, copyright 1999, the word **smite** means “to attack with disastrous effect.” Unquestionably, these facts clearly show that if President Bush continues to refuse to let יְהוָה בָנֶךָ go, it is only a matter of time before יהוָה shall launch repeated attacks with disastrous effects upon **“ALL”** of the borders in America. What constitutes borders?

According to *The Oxford Universal Dictionary*, copyright 1955, on page 294, the word **border** is described as a “brink”; and on page 223, the word **brink** is characterized as “shore.” In agreement with the *Webster’s New World College Dictionary*, copyright 2001, on page 1326, **shore** is defined as “the land near a body of water, esp. along an ocean, large lake, river, etc”; while **land**, as documented in the *Chamber’s 21st Century Dictionary*, copyright 1996, on page 763 is a “state or region.”

It is inevitable that as a consequence of the President of the United States of America continuing to hold בֶן־יהוָה יְהוָה in captivity, shall attack repeatedly with disastrous effects “**ALL**” the states or regions in America that are located near the oceans and large lakes and rivers. And He is going to do this with **FROGS**. Now for America, the country which has more weapons of mass destruction than any country on the face of the earth and who is known as the world’s superpower, **frogs**, as we know them, do not pose the least bit of threat to her national security.

However, when we consult and corroborate with *The New Strong’s Exhaustive*

Concordance of the Bible, Greek Dictionary, copyright 1990, on page 101, we learn that frogs are symbolic representations of something else. This leading authority authenticates that the Hebrew transliteration of the word *frog* (#6854) is **tsephardea'**, and it means “swamp.” The *Webster’s Third New International Dictionary*, Unabridged, copyright 1971, on page 2306, describes a **swamp** as being a “wet spongy land saturated with water.” In *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **wet** is described as “covered with water; wetland.” On the other hand, the word **spongy** is identified as “thoroughly soaked.”

Thus, we can conclude from these facts that **frogs** are symbolic of *land* that is covered, thoroughly soaked, or saturated with water.

Considering the brevity of these facts, further research from the *Oxford Dictionary and Thesaurus*, American Edition, copyright 1996, validates that **saturate**, the present tense of *saturated*, on page 1340, is synonymous to “flood.” On the authority of *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 969, **flood** means the same as

“tsunami.” *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, describes a **tsunami** as “an unusually large sea wave produced by undersea volcanic eruption.” The *Merriam Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, also describes a **flood** (a noun) as “a rising and overflowing of a body of water, esp. onto normally dry land.” Another leading authority, *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 969, reference number 520.3, corroborates that **flood** is also symbolic of violent rain storms and vicious hurricanes.

With that understanding, there is no doubt about who the superpower is: it is obviously --the **frogs**. In other words, after הַתּוֹהֵה has pounded America with unprecedented violent rain storms and vicious hurricanes, He shall then send forth a **tsunami** that will attack her with disastrous effects, such that giant killer sea waves in the ocean, produced by unrecorded undersea volcanic eruptions, shall rise and overflow. This shall cause “**ALL**” the large lakes and rivers in America to overflow, thoroughly soak, and totally submerge most of the normally dry land.

These disastrous effects shall kill hundreds of millions of Americans. This shall be the price that the American people shall pay “if” President George W. Bush continues to ignore our call and remains adamant about holding the Messiah, יְהוָה בָּן יְהוָה, and not letting Him go that He may serve יְהוָה as He has commanded Him to do.

Returning to our definition of *swamp*, “**frogs**” is also characterized as “wetland.” **Wetland** is documented in the *Encarta World English Dictionary*, copyright 1999, on page 2020, as “an area of land where the soil near the surface is covered with water, esp. one that forms a habitat for wildlife”; while, **habitat** in the same reference is described as “home environment; natural conditions.” Also, **wildlife** in the *American Heritage Talking Dictionary*, copyright 1997, Computer Software, *abundantly*, derives from the noun **abundance**, which means “a great number or plentiful amount.” This added information supports the fact that the disastrous effects from the ocean and rivers shall be far worse than

ation, “ALL” the states and regions located near these bodies of water shall also be attacked with disastrous effects upon the land where the soil near the surface is covered with water, especially the home environment or natural conditions for wild animals as well as plant life. The water that shall form upon the surface of these areas shall cause thousands of wild animals to drown or starve to death, thus contaminating the water table and causing unprecedented diseases as well as destroying all plant life.

All these disasters shall result in starvation, homelessness, unemployment, lack of transportation, lack of money, and a great loss of loved ones, to name a few. And Exodus, Chapter 8, verse 3 tells us to what degree this shall happen, and it reads:

“And the river shall bring forth frogs abundantly, ...”

According to the *American Heritage Talking Dictionary*, copyright 1997, Computer Software, *abundantly*, derives from the noun **abundance**, which means “a great number or plentiful amount.” This added information supports the fact that the disastrous effects from the ocean and rivers shall be far worse than

the tsunami that hit near the Indonesian Island of Sumatra on December 26, 2004, and inundated as many as 12 other countries that stretched along the western coast. The 9.0 earthquake that struck these countries was like child’s play compared to what יְהוָה יְהוָה shall bring upon America and all of her inhabitants. This tsunami left an estimated 288,000 people dead or missing, but the disastrous effects that יְהוָה shall cause to come upon America shall be much more plentiful in amount--with respect to people, animals, and plant life-- that shall be killed or destroyed.

Over and above, Exodus, Chapter 8, verse 3 reads further:

“...which shall go up and come into thine house, and into thy bedchamber, and upon thy bed, and into the house of thy servants, and upon thy people, and into thine ovens, and into thy kneadingtroughs:”

As recorded in *The Cassell Concise Dictionary*, copyright 1998, on page 631, the phrase **go up** means “to rise.” And in the *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software, **house** is described as a “dwelling or residence.”

To further exacerbate the situ-

In the same reference source, **bedchamber** is the same as “bedroom”; while the *American Heritage Talking Dictionary*, copyright 1997, Computer Software, describes a **bed** as “a place where one may sleep or rest.”

These facts clarify distinctly that these bodies of waters that shall submerge and cover the normally dry land of **“ALL”** the states or regions along the oceans, lakes, and rivers in America shall **“rise”** so high that the waters shall come into the dwelling places or residences of the people and shall sweep them out of their bedrooms where they are sleeping or the places where they are resting.

These waters shall also come into the *houses* of her **servants**, and upon her **people**. In *The New Strong’s Exhaustive Concordance of the Bible*, Greek Dictionary, copyright 1990, on page 84, the Hebrew word for *servant* (#5650) is **ebed**, and is depicted as “bondman.” In the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 735, **bondman** (#832.5) is synonymous to “prisoner or inmate.” Referenced in *Webster’s New World Dictionary & Thesaurus*, copyright 1998, computer software, **bondman** is equivalent to a “serf,” which

means a “laborer,” which is “employees--hired people.” Additionally, the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, denotes **people** as “persons, whether men, women, or children.”

The waters--that shall submerge and cover the normally dry land of the states or regions along **“ALL”** oceans, lakes, and rivers in America--shall **“rise”** so high that they shall also cause disastrous effects upon the economy in

that millions of employees--hired people--will be displaced, as millions upon millions of men, women, and children shall be killed, including prisoners or inmates who are housed in prisons and used as laborers in America.

Lastly, it shall even come into the *ovens* and *kneading-troughs*. An **oven** is characterized in the *Merriam Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, as “a chamber used for baking or heating”; and *The New Strong’s Exhaustive Concordance of the Bible*, Greek Dictionary, copyright

1990, on page 73, gives the Hebrew rendering of *kneadingtrough* (#4863) as **mishereeth**, which means “store.” As referenced in the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 161, the word **store** (#124.4) is equivalent to “grocery store and supermarket.”

These facts show clearly that as a result of the destruction from the waters upon the normally dry land and the millions upon millions of lives lost, the disastrous effects shall be such that they will completely destroy the businesses, including restaurants, grocery stores, and supermarkets, especially **“ALL”** of those that are located near the states or regions along the oceans, lakes, and rivers in America.

All of these disastrous effects and much more shall come upon modern-day Pharaoh--President George W. Bush--and the American people “if” he continues to hold בֶּן־יְהוָה בֶּן־יְהוָה--the Messiah, the Son of יְהוָה--in captivity and refuses to let Him go that He may serve יְהוָה in the place where He shall choose to place His name.

Be on the watch for part four as we shall continue to decode the “second” plague.

The Abraham Foundation

It is written in Luke 21:12-13:...that we shall be brought before kings and rulers for יהוָה ['] name's sake. And they shall turn to us for a testimony. **Remember** at the last came two "false" witnesses,... So please don't get comfortable thinking our legal battles are over. It is written that we shall be brought before magistrates and be accused of exceedingly troubling the "city," and they shall command that we be beaten and cast into prison, and our feet be made fast in the stocks (Acts 16:20-24). Please keep your contributions flowing in, so we will be financially prepared to legally defend our Messiah, יהוָה, as well as members of our nation.

Peace? Love? Harmony?
