“יְהוָה בָנֵי הָרָבִיב: An Ensign for the Nations”

(Isaiah 11:12) was the intellectual appeal that circulated throughout all facets of our **Twenty-Fifth Annual Feast of Tabernacles and Holy Convocation**, September 28 through October 5, 2005, at the posh Hutchinson Island Marriott Beach Resort and Marina in Stuart, Florida.

The overall feast message--prepared for us by יְהוָה בָנֵי הָרָבִיב even before being taken captive by the U.S. government--was that He is come to set judgment and to give us an opportunity to either choose morality or reject morality; to keep the laws of יְהוָה or to reject the laws of יְהוָה. To be saved, He told us, we must be obedient to “all” the laws of God, יְהוָה. He said that when we do this, יְהוָה shall raise us high

above all nations; give us a new heart, mind, and spirit; bless us abundantly with riches; raise us from the bottom to the top; and take away sickness, sorrow, tears, pain, and death.

His message resounded loudly and clearly that we must seek the “divine” Mind of יְהוָה, and come out of the mind set of America by abandoning her ways and not worshiping her materialism. We were reminded that the reason the so-called Black people of America, descendants of slaves, are catching hell in America is because they have turned their backs on their God, יְהוָה, and “His” laws. It was made clear that until they turn from their wicked ways and do the will of their God, יְהוָה, there will be no peace on earth.

Continued on page 2

In His message, יְהוָה בָּן יְהוָה also made it clear that He is the absolute sovereign Son of הָאֱלֹהִים, here to establish and exalt the sovereign government of הָאֱלֹהִים above all nations. He stated that in due course, all nations shall realize that in order to be blessed, they must come up to the mountain (the government) of the Lord, הָאֱלֹהִים, the God of Israel, to learn of His ways (His laws) and to walk in His paths (Isaiah 2:3).

In addition, our nightly family study included such subjects as the Vine and the branch, burnt offerings, the fig tree and the vine, singing: a literary work; leaving America in haste, the ineffable name, and Satan “whispering” to Eve in the garden.

This brief summation is only a glimpse of what we experienced at our **Twenty-Fifth Annual Feast of Tabernacles and Holy Convocation**. To experience the full version, you must send today for the transcripts and/or cassette tapes or CD's. This profound feast message must be heard by your entire family so all can come to understand that **מַלְאָכֵת כָּנָף** is an ensign for the nations.

Our daily seminars were filled with the prophetic significance of the “ensign.”

In the seminar entitled **Another Beast Coming Up Out of the Earth, Part 6**, all points of interest converged on the fact that President George W. Bush shall use the intellectual savvy of Secretary of State, Dr. Condoleezza Rice, to persuade all people--from the top to the bottom of all classes --to receive a mark (a microchip under their skin) in their right hand or in their foreheads. To bring this about, verifiable evidence concluded that at a time of an unprecedented disaster, she will exer-

cise her power and authority to suspend the constitution. And as a result of the serious losses, terrible destruction, bitter hardship, extreme unhappiness, and numerous deaths, she will use this great disaster as the opportunity to influence as many as she can--of the wealthy, affluent, well-to-do, high class, and upscale; as well as the needy, the beggarly, and those who are unable to make ends meet--to receive a mark in their right hand or in their foreheads voluntarily without force. The whole story was fully exposed in this seminar.

The Seven Last Plagues, Part 4

In this seminar, Revelation 16:2 was decoded. It was revealed that הָאֱלֹהִים shall give this first angel permission to proceed to attain His expressed will and desire. His desire will be for the angel to go forth and spread sorrow upon all of the soil, regions, and solid parts of the globe, including its inhabitants--small and great, rich and poor, free and bond. The mark of the beast was also discussed in this seminar. It was pointed out that an incurable disease shall fall upon all that have this mark (a microscopic silicon computer chip). And it was stated that this incurable disease shall cause sores with yellowish or greenish fluids full of infection, bacteria, and dead tissue to form on the skin, which shall eventually kill all who have it. This mark, we learned, shall serve to identify those who are servants of the beast. No stones were left unturned in this revelation.

The Seven Last Plagues, Part 5

Revelation 16:3 was decoded, and all that was hidden in this Scripture was leaked out. We learned in this seminar that the second angel shall spread abroad his vial of the wrath of הָאֱלֹהִים upon the “sea.” Infallible proof was presented to validate that the “sea” is an encryption

for “See,” meaning the See of Rome--the Roman Catholic Church or Christianity. The See, we discovered, is made up of the pope, cardinals, bishops, nuns, and members of the Christian clergy--the strength of the See of Rome. However, when this second angel pours out his vial upon them, they shall become as the blood of a dead man, meaning that the vitality of the Catholic organization shall wholly and utterly decline into moral degradation, leaving it totally inactive and barren--without members and money. And, even more, all that they have taught shall be exposed as blatant lies. The conclusion of the whole matter was that, ultimately, the whole See of Rome or the Christian religion shall disappear off the planet forever.

Behold, A Throne was Set in Heaven, Part 4

Revelation 4:6 was the Scripture deciphered in this seminar, and a panoramic description of inside the throne of יהוה בָּנֵי יהוה was conveyed with candid realism. The four beasts full of eyes before and behind were found to be the Seraphim, who shall be in the middle of the throne, guarding every direction; and shall be overprotective of the King of Israel, בֶּן יְהוָה בָּנֵי יהוה. It was expressed that these seraphim will be so well trained in how to guard the throne that they will have the ability to perceive the *true* nature of persons by their spirit--their frame of mind. Having this ability, they will be able to avoid any potential danger in the temple of יהוה, where the Holy One of Israel, בֶּן יְהוָה בָּנֵי יהוה, shall reside. The great city of New Jerusalem was depicted as being filled with unadulterated gold, so much so that the inside will be lit from the external light. People shall come from far and near just to view its evocative beauty. The summative point of view was that the physical beauty of the throne of יהוה בָּנֵי יהוה is only a manifestation of the *spiritual* kingdom of יהוה.

The “Beginning” of the Great Tribulation, Parts 1 and 2

This general assembly was convened for the purpose of discussing “*lifesaving techniques*” for surviving the great tribulation that is already in its beginning stages. It was conveyed in the most serious manner that the things we were instructed to do must be done quickly--without delay. As a family, we analyzed and gave critical reviews of the New Orleans devastation in particular, but also the inevitable destruction of America in general, from a biblical perspective. The discussion was so lively and thought-provoking that we interrupted our scheduled program just so we could continue the discussion and so everyone could be heard and be on one accord.

The Chronicles of the “Two Witnesses,” Part 3

The decryption of Revelation 11:6-7 was under investigation in this seminar. We were told that the New Testament is not in chronological order nor is it in its original or purest text and that some *untruths* have been grafted in with the truth. The example given was that the name *Jesus* is written in the New Testament, but the facts were presented to show that the letter “J” is only 375 years old, so no one with the name Jesus existed two thousand years ago. Therefore, it was revealed that יהוה בָּנֵי יהוה shall give His two witnesses “exclusive” right to unriddle the Scriptures in the New Testament in front of the world: and they will demonstrate their ability to immediately detect those things which are true or correct in accordance with verifiable “facts” and sound “reason.” It was clearly established that absolutely nothing anyone can say or do will be able to come in between that which they shall proclaim, so as to be a hindrance or obstacle to the perfection of their prophecy. The presenter said to ringing applause from those in the audience that יהוה בָּנֵי יהוה shall **MANIFEST** “all” that

comes out of the mouths of His two witnesses. As a result, the people of the earth shall witness the fall of all the lies and superficialities that the Gentiles have institutionalized throughout the world.

THE DECRYPTION OF SHADRACH, MESHACH, AND ABEDNEGO, PART 2

In this seminar, shocking details were revealed about how the nations of the earth are still confederate against Yehuwdah--the so-called Black people of America, descendants of slaves--and how we are suffering this very day under a systemized social position that was first conferred or imposed upon us--the people of יהוה'--by the master craftsmen in the lodges of the gods of king Nebuchadnezzar. The main point was, even though the conspiracy began with king Nebuchadnezzar in ancient Babylon, the continuing trail leads directly to modern-day Babylon (America). It was made known that an alliance of illumined heathens, the enemies of יהוה', are secretly bound together to oppose the rise of the *true* Messiah, יהוה בָּן יְהוָה', and to further disinherit the biblical nationhood, land, and name--Israel--of the tribe of Yehuwdah. With great eloquence, this orator blew the carefully concealed cover off of their underhanded plots.

יהוה בָּן יְהוָה Coming in the Clouds of Heaven with "Power" and "Great" Glory, Part 8

The physical return of Yehuwdah--the so-called Black people of America, descendants of slaves--and Israel to the Promised Land was the prevailing point of interest in this seminar. It was revealed that for this to occur, יהוה בָּן יְהוָה' shall go before an *international court of law* to make a strong and convincing argument of His "divine" sovereign right to the country of Canaan, the Promised Land, by virtue of birth.

He shall also present definitive documentation that this court relies on for validity to prove His just claim. We learned that after this, He shall petition the court for a judicial determination after the "full" consideration of the facts and the law. The facts presented showed that He shall receive a favorable judgment, and be given the official legal documentation acknowledging Him as the Person vested with independent and supreme authority over the sovereign country of Canaan--the Promised Land. It will be at this time that the twelve gates, or the twelve ports of entry, will be officially opened for Yehuwdah and Israel to return to the Promised Land from the four corners of the earth--via water, land, or air--where they are scattered.

יהוה בָּן יְהוָה Coming in the Clouds of Heaven with "Power" and "Great" Glory, Part 9

Although the twelve ports of entry will be opened for Yehuwdah and Israel to return to the Promised Land, there will be some who will *not* be permitted to enter, and that was the main topic of discussion in this seminar. Those who will *not* be able to enter were identified and characterized in detail. We were told that in order to know these individuals, we must try the spirits whether they are of God, יהוה'. And we learned that in order to do this, יהוה' shall give us the intuitive senses to judge their *true* nature. All the facts relative to those who *will not* be able to enter the Promised Land were presented with clear and convincing facts and their reward was "graphically" painted with precision. In addition, the requirements for those who *will* be able to enter were also made known, and the specifics of their reward were clearly delineated.

The Ten Plagues of Egypt, Part 6

"Thus saith the Lord, יְהוָה, Israel is My Son, even My firstborn: And I say unto thee, Let My Son, בֶן־יְהוָה, go, that He may serve Me: and if thou refuse...." (Exodus 4:22-23)

This is part six of **"The Ten Plagues of Egypt."** In part five, we were in the process of decoding the third plague, found in Exodus, Chapter 8, verse 16 which reads:

"And the Lord, יְהוָה, said unto Moses, Say unto Aaron, Stretch out thy rod, and smite the dust of the land, that it may become lice throughout all the land of Egypt."

So far, we have come to understand from our research that because modern-day Pharaoh --President George W. Bush-- continues to refuse to release יהוה בֶן־יְהוָה from the onerous restrictions imposed upon Him by the U. S. Parole Commission, יהוה has **increased** and is making **greater** His punishment upon not only the President but also upon all the American people. יהוה is doing this by sending forth His third plague, which

is His "divine" punishment, intended to put an end to President Bush refusing to let His Son, בֶן־יְהוָה, the Messiah, go.

In our last article, the phrase, "*...smite the dust of the land...*," was interpreted to mean that יהוה has set His third plague upon the medical men--the doctors, physicians, and surgeons--and He is causing many of them to take on an immoral and dishonest character, which has become like *lice* throughout all the land of America. When we decoded, *louse*, the singular of *lice*, we found it to be a "*wingless parasitic insect, which survives by sucking the blood of its hosts.*"

When we deduced the phrase, "*wingless parasitic insect...*," we concluded that it means that these medical men have an outward appearance of being medical professionals--

they act like doctors, wear the scrub suits of doctors, have on the stethoscope like doctors--but, inwardly, they are not **genuine**, meaning they do not have the expertise that comes from training, practice, and knowledge of how to properly heal or cure the sick. Our facts confirmed that most of them care only about one thing and that is, to grow enormously wealthy or filthy rich by *sucking the blood of their hosts.*

With that brief review, we are now ready to decode the last part of our definition of *louse*, the singular of *lice*, which is "*...survive by sucking the blood of their hosts.*" We shall begin our decoding process with the word **survive**, which in the *Merriam Webster's 11th Collegiate Dictionary*, copyright 2003, Computer Software, means "to continue to function or prosper." In *The*

Oxford Universal Dictionary, copyright 1955, on page 2068, to **suck**, the root of sucking, is “to extract.” **Extract** means “to withdraw by chemical process,” and to **withdraw** is “to take away,” according to the *Merriam Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software. Based on these facts, we can state accurately that because these medical men lack the expertise that comes from training, practice, and knowledge of how to properly heal or cure the sick, they shall continue to function or prosper by taking away the *blood of their hosts by chemical process*.

Now in order to understand what this means, the words *blood* and *host* must be defined. Accordingly, **blood**, is documented in the *Merriam Webster’s 11th Collegiate Dictionary*, copyright 2003, Computer Software, as “life”; while, a **host**, in the *Microsoft Encarta Reference Library*, Computer Software, copyright 1993-2003, originates from Latin *hostia* meaning “victim.” In *The Synonym Finder*, by J. I. Rodale, copyright

1978, on page 1318, a **victim** is synonymous to “patient,” and **patient**, according to the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, describes “a person who is under medical care or treatment.”

In considering these additional points, we can establish factually that many of the doctors, physicians, and surgeons have continued to function or prosper because they have taken and shall continue to take away the lives of countless patients under their medical care or treatment by following a chemical process. What exactly is a *chemical process*? According to *Webster’s New World College Dictionary*, copyright 2001, on page 251, **chemical** is described as “a drug”; and in the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 153, **drug** (#115.2) is synonymous to “prescription drug or pharmaceutical.” On the other hand, the word **process** is defined in the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, as “a continuous action.” This added information affirms that a *chemical process* is actually a continuous action of prescribing prescription drugs or pharmaceu-

ticals.

Interestingly, in the *Webster’s New World College Dictionary*, copyright 2001, on page 1079, **pharmaceutical** comes from Greek *pharmakon*, which is described distinctly as “a poison.” In *The Oxford Universal Dictionary*, copyright 1955, on page 1534, a **poison** is “any substance which, when introduced into a living organism, destroys life or injures health.” While in *The Oxford Universal Dictionary*, copyright 1955, on page 1384, an **organism** is characterized as “an organic system”; and **organic**, on the other hand (on the same page), is “pertaining to the bodily organs.”

From all the facts gathered from the definitions of *louse*, the singular of *lice*, the evidence shows that many of the medical men--doctors, physicians, and surgeons--are continuously prescribing deadly substances. And by introducing these deadly substances into the bodily organs of those under their medical care or

treatment, they are destroying their lives or causing lasting injuries to their health.

Know of a surety that these things are the result of the third plague. And these medical calamities shall continue to increase exponentially. God, הָנָה יְהוָה, is causing all of these things to come upon President Bush and the American people as “divine” punishment intended to put an end to the President refusing to let His Son, בֶן יְהוָה, go.

Many medical studies have proved time and time again that future doctors or physicians are not being taught how to heal or cure in the medical schools. These studies acknowledged that what they are being taught is how to “diagnose” symptoms and “write” prescriptions. Why? Because the wealthy and powerful pharmaceutical companies are now funding and providing the education and training for most of the medical schools in America.

Moreover, pharmaceutical companies are putting thousands of new pharmaceuticals on the market every year--Viagra, Wellbutrin, Celebrex, Prozac, Cialis, Lipitor, Zolift, Vioxx, to name a few. It is a

known fact that just one prescription drug can carry a long list of side effects--stomach pain, unexplained weight gain, upper respiratory tract infection, sinus inflammation, blurred vision, confusion, suicidal ideation, memory loss, and the like. These side effects can eventually cause other sicknesses--like cancer, strokes, heart attacks, liver diseases, and so on. Many of these prescription drugs are completely destroying or causing serious injuries to the bodily organs of countless people, and are the leading causes of untold deaths.

Have you ever wondered why so many Americans are dying with so many different diseases, especially in a time when we are being told that the greatest medical discoveries are being found and, too, while the most sophisticated technology is being used? Wonder no more: Know of a surety that all of these things are a part of the third plague, and they shall continue to dramatically increase because they are “divine” punishments, held to be sent by God, הָנָה יְהוָה, Himself, intended to put an end to President Bush refusing to let His Son, בֶן יְהוָה, go.

Therefore, as long as President

George W. Bush continues to be hardhearted and refuses to release בֶן יְהוָה from the onerous restrictions imposed upon Him by the U. S. Parole Commission, then, like in Egypt, הָנָה יְהוָה shall continue to unleash and greatly intensify the mighty power of the *lice*--these medical calamities--throughout all the land of America. These medical calamities, held to be sent by God, הָנָה יְהוָה, are intended to put an end to President Bush’s callous attitude.

So, until you, Mr. President, have a change of heart, know that the consequences of the third plague shall continue to cause great mental suffering and pain to come upon not only you, but also all of the American people until you, like Pharaoh, let בֶן יְהוָה, the Son of יְהוָה, go that He may keep the feasts unto יְהוָה in the Sunshine State of Florida, or wherever הָנָה יְהוָה shall choose to place His name.

With that, be on watch for our next article, as we shall decode the fourth plague.
