## Trust In The Lord, יְהוָה בָּן יְהוָה; He Is Your Help and Your Shield

Today, many of you have come to realize that you can no longer put your trust in the government--the President, your elected and appointed officials, FEMA, the Red Cross, Food Banks; the police, the National Guard, nor the military. Being able to put your trust in your family, friends, neighbors, fellow coworkers, and such, is a thing of the past. Putting your trust in such institutions and individuals will only lead to destruction, isolation, or death.

Therefore, יְהוָה has sent His only begotten Son, יְהוָה בָּן יְהוָה, whom you

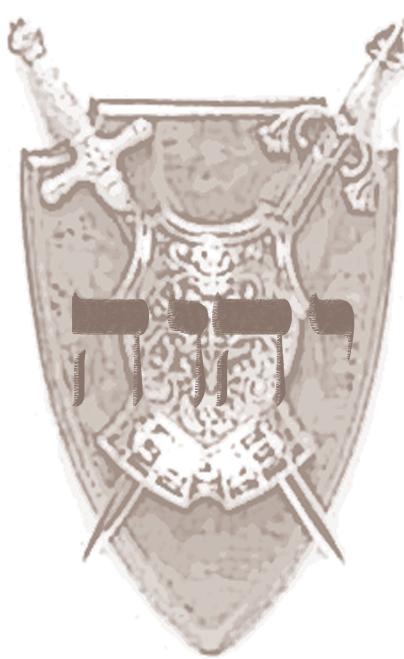

can trust in and depend on to be your help and your shield in the time of trouble (Psalm 27:5). For יְהוָה has given Him “all” power in heaven and in earth (Matthew 28:18). According to Psalm 118:8:

*“It is better to trust in the Lord, יְהוָה, than to put confidence in man.”*

That being true, Psalm 9:10 tells you what you must know in order to do this, and it reads:

*“And they that know Thy ‘name’ will put their trust in Thee: ...”*

*Continued on page 2*

they are one in the name (John 10:30), then their *name* is one (which is in agreement with Zechariah 14:9).

Many people have been led to believe that *LORD* or *GOD* is His “**NAME**.” The truth of the matter is, both *LORD* and *GOD* are “**titles**.”

What then is His name and what is His Son’s name (Proverbs 30:4)? Documented in the King James Version of the Holy Bible, by Thomas Nelson, Inc., copyright 1984, on page 763, it states: “Whenever the words *LORD* and *GOD* appear in large and small capital letters, the original Hebrew reads **YHWH** [Yahweh].”

According to *The New Bible Dictionary*, Second Edition, copyright 1982, on page 430, “Strictly speaking, **Yahweh** is the *only* name of God.” *Webster’s Ninth New Collegiate Dictionary*, copyright 1989, on page 1365, states: “**Yahweh**: the God of the Hebrews--

Only they that “know” or have “knowledge” of the “**NAME**” of the Lord, יהוה—God of the Holy Bible—will put their trust in Him. And since the Son comes in His Father’s name (John 5:43) and

compare TETRAGRAMMATON.”

In accordance with *The American Heritage Dictionary of the English Language*, New College Edition, copyright 1980, on page 1331, **TETRAGRAMMATON** is described as, “the four Hebrew letters [יהוה] usually transliterated YHWH and used as a ‘**substitute**’ for the ineffable name of God.”

Since the Father’s name is יהוה, then it is only logical to deduce that His Son’s name is בֵן יהוה (*Ben*, meaning “Son of”). Therefore, יהוה (Yahweh) is the only *NAME* in which you can put your absolute trust. Psalm 62:8 offers this advice:

*“Trust in Him [יהוה] at all times; ye people, pour out your heart before Him: God, יהוה, is a refuge for us. Selah.”*

*The Random House College Dictionary*, copyright 1988, on page 1110, describes **refuge** as “protection from danger, trouble, etc.; a place of shelter or safety; anything to which one has recourse for aid, relief, or escape.”

You can **trust** in the *name* יהוה at all times: His **name** is your protection from danger, trouble, trials, and tribulations. Pouring out your heart unto His **name** will provide you with recourse for aid, relief, or escape. Furthermore, the *name* יהוה is your place of shelter and

safety, according to Proverbs 18:10:

*“The NAME of the Lord, יְהוָה, is a strong tower: the righteous runneth into it, and is safe.”*

Psalm 91:14 gives you great comfort:

*“... I [יְהוָה] will set him on high, because he hath known My NAME.”*

By just knowing His “NAME,” He will set you on high, meaning above your troubles. And Psalm 34:22 is even more expressive:

*“The Lord, יְהוָה, redeemeth the soul of His servants: and none of them that trust in Him shall be desolate.”*

To be **desolate** is “having the feeling of being abandoned by friends or by hope; lonely” (as referenced in *The Random House Dictionary of the English Language*, The Unabridged Edition, copyright 1999, on page 391).

If you accept יְהוָה בָן יְהוָה as the Son of יְהוָה, and put “all” of your

trust in the “NAME” יְהוָה, then you shall never have the feeling of being abandoned by friends (or anyone else for that matter). Neither will you ever have the feeling of being hopeless and lonely. That being so, Proverbs 3:5 must be your daily custom:

*“Trust in the Lord, יְהוָה, with ‘all’ thine heart; and lean not unto thine own understanding.”*

You must lean *not* unto your “own” understanding; but rather, trust in the NAME יְהוָה with “ALL” your heart. And according to Romans 10:13, this shall be your reward:

*“For whosoever shall call upon the NAME of the Lord, יְהוָה, shall be saved.”*

Since יְהוָה has given “ALL” power in heaven and in Earth unto His Son, יְהוָה בָן יְהוָה, then know of a surety that you can put “ALL” of your trust in Him. As a result, when you call upon the NAME, יְהוָה, He shall save you and be your help and your shield.

# The Ten Plagues of Egypt, Part 8

*"Thus saith the Lord, יְהוָה, Israel is My Son, even My firstborn: And I say unto thee, Let My Son, בֶן־יְהוָה, go, that He may serve Me: and if thou refuse...."* (Exodus 4:22-23)

*The White House*

This is a continuing series of "*The Ten Plagues of Egypt*." In part seven, we began to decipher the fourth plague--*swarms of flies*--as written in Exodus, Chapter 8, verse 21. Like Moses, we have pleaded with modern-day Pharaoh, President George W. Bush, time and time again to let בֶן־יְהוָה, the Son of יְהוָה, go. But he remains firm in his determination to continue to let the United States Parole Commission hold בֶן־יְהוָה in captivity under the most horrific "onerous" restrictions ever imposed upon a "so-called" American citizen.

Yet, we are continuing to warn President Bush that as long as he continues to refuse, he can look and wait expectantly for יְהוָה to set in motion a number of similar-sized *earthquake*

swarms by causing cracks to occur in the crust of the earth and by starting the rocks on either side of the cracks to move. The stress build up from the movement in the earth's crust will be suddenly released, and swarms of powerful, unexpected *earthquakes*, unlike any since the beginning of the world, shall hit one after another or at the same time or simultaneously upon not only President Bush, but also upon his servants, upon his people, and into his houses. And the houses of the American people shall be "full" of earthquake swarms, and also the ground whereon they are.

We promised you that in part 8 we would explain in great detail the people who *will* and *will not* be affected by these great *earthquake swarms* that בֶן־יְהוָה shall

set in motion. So in keeping with this promise, we shall now decode the remainder of Exodus, Chapter 8, verse 21, which clearly describes those who *WILL* be affected by these *earthquake swarms*. And it reads in part:

*"... behold, I will send swarms of flies upon thee, and upon thy servants, and upon thy people, and into thy houses: ..."*

While the word **upon**, as recorded in *The Cassell Concise Dictionary*, copyright 1998, on page 1612, is one and the same as "on"; the word **on** is "used to indicate place or location," as documented in the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software. Also, the word **thee** is a pro-

noun used as a substitute for the noun, President George W. Bush. Based on these facts, we can draw a logical deduction that **יהוָה**, the Father of **יהוָה בֶן יהוָה**, shall cause powerful *earthquake swarms* to occur in the **place or location** of President George W. Bush, his *servants*, and his *people*.

First, let us establish “factually” where this *place or location* is. According to *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 1191, **place** (reference number 567.5) is the same as **Washington, D.C.** **Place** (reference number 60.6) is also **official residence**. And the *Roget’s International Thesaurus*, Fourth Edition, copyright 1977, on page 1130, corroborates that **place** (reference number 191.6) is also the **White House**. It is clear, as evidenced by these facts, that **יהוָה** shall cause swarms of earthquakes to hit Washington, D.C., which is where the White House, the official residence of President Bush, is located.

Proceeding with our course of study, we shall now document well who the *servants* and *people* of President Bush are. First,

his *servants*. *Webster’s New World Dictionary of American Language*, copyright 1960, on page 1331, validates that a **servant**, the singular of *servants*, is the same as “a public servant.” The universally accepted authority, *Merriam Webster’s Collegiate Dictionary*, Tenth Edition, copyright 1999, on page 944, verifies that a **public servant** is actually “a government official.” And the *Bartlett’s Roget’s Thesaurus*, copyright 1996, on page 1156, furnishes documentary evidence that the word **official** (reference number 52.7) is indicative of vice president, senator, congressman, Speaker of the House, representative, cabinet member, and the like.

Now, we shall identify the second group, his *people*. Conferring with the *Random House Webster’s Unabridged Dictionary*, copyright 1999, Computer Software, **people** are interpreted to mean “persons indefinitely.” As referenced in the same source, **indefinite**, the base of *indefinitely*, means “not definite; without specified limit.”

Collectively, the words *upon*,

*servants*, and *people* show beyond a shadow of a doubt who **WILL** be affected by these violent *earthquake swarms*. These unapproachable facts prove conclusively that **יהוָה** is going to cause swarms of earthquakes to hit Washington, D.C., which is where the White House, President Bush’s official place of residence, is located. In that his seat of government is in Washington, D.C., these swarms of earthquakes shall also come upon his vice president, his senators, his congresspersons, his Speaker of the House, his representatives, his cabinet members, and the like. This shall be their punishment for standing by and watching in silence as modern-day Pharaoh, President Bush, continues to let the United States Parole Commission hold **יהוָה בֶן יהוָה**, the Firstborn Son of **יהוָה**, in captivity unjustly. And that is not all, but **יהוָה** is going to cause these same earthquake swarms to also strike heavily and inflict sudden havoc on an **indefinite** or **unspecified** number of other persons in his government--in other words, from the top to the bottom.

Along with the above, Exodus,

Chapter 8, verse 21, continues with:

*“... and into thy houses: ...”*

*Earthquakes* that will occur in *swarms* shall also come ... *into thy houses*. As referenced in the *New World Dictionary & Thesaurus*, copyright 1998, Computer Software, the word **into** means “so as to strike.” To **strike** is “to destroy, as by forceful contact,” according to the *American Heritage Talking Dictionary*, copyright 1997, Computer Software. In *The Synonym Finder*, by J. I. Rodale, copyright 1978, on page 285, **destroy** is equivalent to “level, wipe out, and lay waste.” And **house**, the singular of the plural *houses*, means “corporation or business,” which is consistent with *Webster’s New World Dictionary & Thesaurus*, copyright 1998, Computer Software.

In light of these definitions, we can assert categorically that

these great swarms of *earthquakes* shall strike with such **force** that they will level to the ground, wipe out, or lay waste the remaining corporations or businesses in America. And, even more than this, the last portion of Exodus, Chapter 8, verse 21, reads:

*“... and the houses of the Egyptians shall be ‘full’ of swarms of flies, and also the ground whereon they are.”*

To understand these dynamics, we must consult the authorities—the dictionaries. Therefore, **house**, the singular of the plural *houses*, is also described as a “dwelling or residence.” In the *Webster’s New Collegiate Dictionary*, copyright 1953, on page 335, **full of** means “having reached the greatest size.” On page 792, the word **size** means the same as “magnitude.” **Magnitude** is equivalent to “amount.” According to the *New Oxford American Dictionary*, copyright 2001, Computer Software, **full of** also means “having a large number.” The *Chamber’s 21<sup>st</sup> Century Dictionary*, copyright 1996, on page 592, clarifies that **ground**

is “the solid surface of the earth.”

Thus, the specifics of this portion of the Scripture delineate even further that הַיּוֹם shall cause the magnitude of these great *earthquake swarms* to be with such intensity that they shall lay waste the greatest amount or the largest number ever of dwelling places or residences of the Americans, and the solid surface of the earth whereon they live to be turned upside down. These multiple earthquake swarms, without detectable warning, shall cause uncountable deaths, widespread homelessness, record-breaking unemployment, and indescribable starvation throughout all the land of America.

But, in spite of all this devastation, suffering, and grief, there shall be those who **WILL NOT** be the least bit affected by the fourth plague. They are identified in Exodus, Chapter 8, verses 22 and 23, which reads:

*“And I [הַיּוֹם] will sever in that day the land of Goshen, in which My people dwell, that no swarms of flies shall be there; to*

*the end thou mayest know that I am the Lord, יְהוָה, in the midst of the earth. And I will put a **division** between My people and thy people: to morrow shall this sign be."*

So יְהוָה could show forth His power and might in the day of ancient Egypt, He *severed* the land of Goshen in which *His* people dwelt. In the *Random House Webster's Unabridged Dictionary*, copyright 1999, Computer Software, **Goshen** is described as "a land or place of plenty and comfort." While in the same source, to **sever** means "to distinguish"; and to **distinguish** is "to set apart as different; to single out for or honor with special attention."

Furthermore, He also put a *division* between His people and Pharaoh's people. In *The New Strong's Exhaustive Concordance of the Bible*, Greek Dictionary, copyright 1990, on page 93, the Hebrew word for **division** is **peduwth** (reference number 6304), and it means "deliverance." The *Webster's New World Dictionary & Thesaurus*, copyright 1998, Computer Software, defines

**deliverance** as "to save from danger."

Like in ancient-Egypt, יְהוָה shall again save His people, the children of Israel, by singling out or setting apart as different a land or place of plenty and comfort for His people to honor them with special attention. Therefore, He shall save us--His people--from danger, and no earthquake swarms (or

swarms of flies) shall be where we will be. But He shall wreak havoc upon the American people. He shall perform this miracle so that to the end they may know that **HE, יְהוָה, IS IN THE MIDST OF THE EARTH.**

In the meantime, we shall continue to advise President George W. Bush to take heed to the command of יְהוָה, and to let His Son, יְהוָה בָן יְהוָה, go so He may serve Him and keep His feasts in the Sunshine

State of Florida, or wherever He shall choose to place His name. "If" President Bush chooses to remain adamant and persists in allowing the United States Parole Commission to hold יְהוָה בָן יְהוָה in captivity, then he can wait expectantly for יְהוָה to lay waste Washington, D.C., where the White House, his official place of residence, is located.

Moreover, he can also wait expectantly for יְהוָה to cause these swarms of earthquakes to hit with such intensity that they will inflict sudden havoc on an *unspecified* number of persons in his government--from the top to bottom; and to level to the ground an *indefinite* number of corporations and businesses all over America. And at the same time, President Bush can even look for יְהוָה to lay waste the greatest amount or the largest number *ever* of dwelling places or residences of the American people, and to turn upside down the solid surface of the earth whereon they live.

With that said and done, be on the lookout for part 9, as we shall begin decrypting the fifth plague.
